## Opening Prayer

Dear Lord, I pray that you use this work to show the people that you are the unchanging God and that you had a plan for their life before the foundation of the world.

I ask you Lord to assign an Angel to accompany every printed copy of this book and bring the reader to know you in the Power of your Resurrection.

Lord through the reading of this work, I ask that you help them discover their true purpose in life and cherish the supreme sacrifice you gave that they may be adopted as Sons and Daughters into the family of God.

Yes Lord, my prayer is that they may come to realize that what You were yesterday, You are today and will be tomorrow that you change not.

## Acknowledgments

This work of faith is dedicated to all that will take time to read this book especially those connected with the transportation industry.

I wish to give special thanks to the one minister who answered the call of God in 1951 after graduating from Bible College, to minister on the highways across our nation.

I am honoring the late Chaplain Jim Keys; a man that persevered ten (10) long years before he was blessed with his first convert!

The ministries God birthed through him are as listed "Transport for Christ" and "The Association of Christian Truckers").

These two ministries have had many converts since their founding and remain an oasis that can be found in many truck stops throughout our nation including the ACT Road Angel Truckers Center located in Brownstown, Illinois.

May God continue to richly bless this work as we celebrate his legacy! AMEN!

I want to leave a special honor and tribute to the late Chaplains Joe and Kris Tackett who left all to serve as ACT Chaplains under the ministry of Chaplain Jim Keys. In the early 80's, God had these two precious saints there for me at the ACT chapel in Carlisle, Pennsylvania when I needed some answers and looking for a reason to live. Please check out the ACT web site (<http://www.acti70.org>) listed for you.

## PREFACE

This book will help answer some of the three (3) most questions people especially truckers ask when they come into our chapels after long hours on the road. Let's face it, life is hard and especially for our professional drivers that spend most of their life behind the wheel of those eighteen wheelers braving all kinds of weather to ship our nations goods coast to coast from the supplier to the distribution centers which deliver to the stores in order to maintain the luxury life style we so much enjoy today. The down side of this is the valuable time that is lost not being there for birthdays, holidays and even important events like weddings and graduations. Yes, this has been my way of life for many years and one thing I noticed in this time away from home is the frustration and sometimes sad news from home that drivers receive and realize they are too far from home to do anything about it. Now dear reader, they have to not only endure the hardships from the road but have all of this time to eat at them as they spend long hours behind a windshield wondering if they are doing the right thing to provide for their family. Will Joseph or Emily ever forgive me for missing their game or school graduation? I put word in to dispatch weeks in advance but here I end up in a dead area with no freight. I wanted to get in to be in the revival at my church but again here I am sitting in a truck stop as darkness begins to take over the last remaining minutes of a hard day.

As darkness sits in, thoughts may come to a lonely soul asking, “**why was I born or what was my purpose in life?**”

Dear reader, through years of prayer, study and experience with God, I believe this book if read with an open mind will provide answers to not only why we were blessed to experience life on this planet but give us a deep revelation of the one who predestined and planned our life to fulfill and accomplish his divine purpose.

In this study we will discover that we are spirit beings being blessed to experience life in human bodies that we might come to know what it is like to love and be loved, to hold and be held also to experience for ourselves just how dangerous sin is especially when left unchecked.

## **Chapter 1**

### **WHY AM I HERE?**

Dear reader, you are not a mistake but were created to fulfill and accomplish something significant and make a difference in your generation.

Out of all the thousands of sperm that was released, God allow you to make it and become a person. You were allowed to experience life because you have a divine purpose for being on this planet. You were created to accomplish something special that no other person on Earth can accomplish, that God may leave His signature through your life.

God placed the plans for our life within us when we were born and that is why we are to delight our-self in him that he may bring these hidden desires into a reality.

Every person born on this planet was created to stand out as a unique person. They may be from a different culture or nation but they have a divine purpose. They may be a dictator ruling with an iron fist but they have a divine purpose. They may be a murderer, a rapist or may be mixed up in their gender but they have a divine purpose and if we view them as to who they are or what they have done then we have failed to see how God sees them and we may have been the very one that He would use to help them discover their purpose.

Everyone that I have been blessed to meet including many in the street gangs has a deep craving desire down inside to know they are respected and accepted for who they are.

Being one that was not understood or accepted most of my life caused me to become bitter and suspicious of other people, but dear ones, all that changed when I discovered that I was not a mistake and I am loved with an unconditional love by my creator who had a divine purpose for my life before I was ever born. Listen, out of all the hundreds of sperm swimming to enter the egg in my mother's womb, God allowed me to make it and become a person with a chosen destiny.

I was a chosen target of the devil before birth who must have known God's plan for my life because in my sixth (6<sup>th</sup>) month in my mother's womb, my mother was in an accident and fell out of a pickup truck. My father was asked which one the doctors would try and save to which my father could not make that decision. They decided to take me early by caesarean C-section birth and place me in an incubator.

I was told later in life that one of my hands was withered at birth. I did not learn this till after I founded **“Withered Hand Ministries, Inc”**.

Dear reader, no one has your finger prints nor do they have your DNA. You are special and were created to stand out, not blend in.

Beloved, our God knows every piece of matter that is in the universe and everything seen and unseen has a purpose for its existence. Yes, the living God has carefully taken time to plan each part of our life in advance which I call our moment of time that we will live on this planet. In eternity past, He worked out the course that our life would take and He knows everything that will happen to us in this life span.

We were created to accomplish something special that no other person on Earth can accomplish, that God may leave His signature in our life. God placed the plans for our life within us when we were born and that is why we are to delight our self in Him that He may bring these hidden desires into a reality.

Every person born on this planet was created to stand out as a unique person but some just want to go along with the crowd and just blend in. You are special and were created to stand out, not blend in. Our God knows every piece of matter that is in the universe and everything seen and unseen has a purpose for its existence.

In the beginning; the Living God carefully looked down through the ages of time and yes, through every generation that would be born and planned every intricate detail of every life that would live on earth. God had a desire to recover as many as possible from Satan's rebellion.

## Chapter 2

### WHY ME?

Have you ever asked yourself, **“Why me and why do ministers tell me that I am special when everyone else treats me like dirt?”**

Beloved, you are special and I am going to jump ahead of another book soon to come out and give you some deep revelation that will answer a lot of you questions.

Satan did not challenge God on his power and the word speaks of Satan being an Arch Angel (which means one of the first created) that was a worship leader in Heaven. In the beginning the word states that he guarded the throne of God. Now dear reader, how can he guard someone that is omnipresent? (Everywhere at the same time) and all powerful? I believe I have the answer to that awesome question. The word teaches through several writers that the Holy Angels are even now learning our God through the way he deals with man his greatest creation.

Just like in the word when Queen Ester came into the Kings court unannounced, she was taking a chance on her life because the penalty for doing so would cause the temple guards to execute anyone approaching the king uninvited. The only thing that could have saved her was for the King to stretch forth his scepter and invite her in.

Beloved, I believe in my experiences with God and testimonies of others that there is an energy field around him at all times and that it is always moving. Therefore, an Angel from whatever planet before the fall approaching the throne of the Eternal, Holy and all powerful God uninvited and unannounced could get into some serious trouble because His Holy Unblemished Character commands respect and we find this when Moses was told to sanctify the people for the visitation of God at Mt. Sinai.

Dear Reader, Satan challenged God in front of all creation as being one that is unjust because he would not exalt him to be like him. He must have been very convincing for he caused a third of the Holy Angels to follow him in his revolt against God.

Nothing takes God by surprise and He had a brilliant plan to rescue as many as possible from Satan's camp and gather together unto Himself a people that He would call His family. God had a plan that would show all creation His justice and still retain his Holy nature.

This is where we came in to fulfill his wonderful plan. He is going to bring this planet out of its unfinished state and make it suitable to sustain the greatest creation of all which is man made in His likeness and image.

In the secret of the Godhead the decision was made to make this planet suitable to sustain life and God got down personal with Adam as he formed him from the dust of the earth. God also placed in Adam a glue like substance called "**LAMININ**" that would hold his cells together and it was in the form of a cross the very tool that God would one day use to pay the price for the sin of all mankind when he would allow the other Adam to hang between the Heaven and the Earth on that old rugged Roman Cross bearing the weight and sin for all mankind. May I remind you that God is the one that set the death penalty as the price for sin, not Satan and can we stop right here and sing "**Oh What A Savior**".

God spoke everything into existence but with this creation, the awesome God is going to get down personal and make him from the dust of the Earth. Beloved here is the answer to most of our questions. God placed a cell like structure in this first Man he called Adam which actually is like a glue holding him together.

**How are you and I special?** We are special in we have this structure called "**LAMININ**" inside us and it is shaped in the form of a cross. Yes dear ones, while Adam was enjoying his evening walks with his wonderful friend and creator, God was looking at the cross; the very means he one day on a Galilean hill side called Calvary would become man's savior.

I took the liberty to place this picture of what is holding our body together and it should help you realize that we are his greatest creation and through his work of redeeming love and regeneration in us makes us special because the other heavenly beings are learning him through his working with and through mortal man.

Beloved, God loved us enough to send His Son to bear the reproach and shame of our earthly image and pay the penalty of a cruel death on a Roman cross that one glorious day we can bear his heavenly image when we awake to die no more.

### **How special are you?**

Below is a picture of Laminin which holds us together.

Just think about this as we continue (Adam fell into the trap of Satan and sold us out in the garden but we have hope because Jesus overcame Satan and won us back in the garden.

We find in the scriptures that Jesus prayed until his sweat became as great drops of blood, he was reminding God of his sacrifice and his plan. He was also praying that God would receive us in the same way he receives him just like Paul sent a letter to the master of the runaway slave informing him of his conversion to Christ and asking him to not receive the slave as the man he was but receive him like he would receive him (Paul) because he too had been converted under Paul's ministry.

This prayer of intercession can be found in the **17<sup>th</sup> chapter of John's Gospel** and this is what Jesus did in the garden. Suffering in great agony, he was birthing the church because the scriptures state in many places that Christ was slain before the foundation of the world and that means before the creation and fall of Adam Jesus was already slain in the mind and plan of God.

God is the one that set the penalty of death for breaking his law not the fallen angel Satan. God took 4000 years to get this planet ready for his Son (JESUS) to come and fulfill his wonderful plan of redemption and save his greatest creation by becoming man's savior.

I will cover more on this later which will open our eyes to the awesome plan and love beyond anything we can imagine that planned our life to fulfill his plan and divine purpose.

Beloved, please excuse me but right now I feel his divine guidance as I write to you of His unconditional love for you, yes you. Beloved, look at the war waged against God's throne and look at His brilliant plan to give Adam free will knowing he would succumb to the advances of Satan. Look at him as he walks with God in his perfect state in the garden and the whole time God is looking at the cross which would remind him of what it would take to redeem this fallen creation from sure destruction because without thinking it through, Adam had forfeited all his rights as ruler of this planet to Satan in his breaking God's one law in the garden and it was to eat of the forbidden fruit. That is the tempter yes the one we have today trying his best to convince us like he did Adam and Eve that God is holding back on us and does not want us to be like him. Beloved that is a lie because as we study the scriptures, we will find that God does desire for us to be like Him and has sent His spirit of regeneration in our heart to conform us to the image of His dear Son. The first man Adam lost the victory by giving into temptation when offered the forbidden fruit by Eve who had already broken the law of God when being beguiled by the serpent which had allowed Lucifer to use its body to tempt Eve.

This did not take God by surprise because he who foreknows all things now can begin his plan to redeem his greatest creation and provide for himself a family that he can be called Father and Savior. **Genesis 3:15 (KJV)**<sup>15</sup> “And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel”. God is the supreme **Judge of the Universe** and His plan would be like a judge sitting on a bench ruling with the authority granted Him and everyone that would be brought before Him if found guilty would receive as punishment the full extent the law would allow. One day his own mother was brought before him and she was caught in the very act with the goods in her hands.

Dear reader, the judge had no choice but sentence her to the full extent of the law but wait, something happens that disrupts the entire court. As the gavel falls, this stern judge laden with tears, starts removing his royal robe that represents justice and places his hands out to the bailiff stating there is nothing in the law that forbids me from serving mom’s sentence. This beloved is a small illustration to what our Holy supreme judge of all the universe did for you and me, yes fallen man and that dear one is “**why you are special to Him**” because *your life was planned from the end to the beginning in others words he foreknew you before he allowed you to be born and become a person just as the word declares in several places “Jesus was slain before the foundation of the world.”*

## **Chapter 3**

### **WHY DOES MY LIFE MATTER?**

Dear reader, God foreknew who would choose his plan and he also knew that the majority would reject it and be lost forever.

We were predestined to become his sons and daughters at the cross. He approaches us with the preaching of the cross which encourages us to accept Jesus Christ as Savior and Lord.

Our accepting Jesus is the first step in his plan that was predestined for us before the foundation of the world. God demonstrated a desire to save people by his Love, his Grace and his workmanship in our doing good works to glorify his name in the Earth. We must understand that God's divine plan for us is in the Spirit and his Holy Spirit is in us enforcing this plan as Spiritual law. His Spirit is the enforcer of Spiritual law. He will take charge and control of the circumstances that surround us and cause natural law to be for or against us. He represents us in heaven and we need his classroom. His great reservoir of wisdom and council resides within our spirit just waiting to be released.

Beloved, we may read God's word but we will not find a book with our name on it but our purpose and calling can be revealed through the personal inward work of the Blessed Holy Spirit.

The Holy Spirit knows our purpose and calling for he was in the Father's presence when our life was planned. Dear reader, Jesus fulfilled more than enough scripture that is required to be called an impostor. Is the second covenant greater than the first or has the first covenant been done away with? I tell you yes on the first answer and no on the other.

The Lord Jesus fulfilled the law as the requirement for fellowship to be restored back to man as required by a Holy God. He then established a new covenant based on faith in him and his finished work for man to have eternal life and be adopted into the family of God.

The law was set aside with all its ordinances and sacrifices as a way to put man's sins forward for another year which could never pay the sin debt passed on us through the rebellion of Adam. God would not accept an innocent animal to redeem man's sins for eternal life. God gave his lamb as a ransom for all and the sin debt was paid in full.

The wrath of God was satisfied when his son hung and died. He had to be tried, convicted, and executed as a common criminal thus taking man's sin upon Him when He hung on the cross and died. God sacrificed His Son that He might have many sons adopted into his family. We simply accept the free pardon offered by God as Jesus dying in our place and bringing us into a new covenant with God which is the Lordship of Jesus Christ.

Beloved, when we accept his (Jesus) dying in our place, we then give up all rights to our life and make Him our Lord and Savior. We are no longer our own but were bought with a great price and that price was the sinless blood of the Son of God.

1. Realize that God knows us and we are important to him.
2. Realize that life matters because God loves us.

Dear reader, there is no room for depression and loneliness if we understand that God loved us enough to send His son to die in our place that we through faith might become the sons of God and be adopted into his royal family and become an heir with God and joint heirs with Jesus Christ.

It is time to come to a life of holiness and walk in the light of God's word. We need to speak His word out loud into the atmosphere that His promises and benefits are working in us.

Beloved, God watches over His word to fulfill it and if God cares about the sparrows and knows when one dies, then He cares about you. He cares for the spouses who have lost their partner in life. He cares about those incarcerated and serving their sentence for crimes against society including the mother that has a son incarcerated facing certain death without a miracle of mercy from a higher court.

Most importantly, God cares for those who feel that they are all alone.

People are important to God and He does not want us living in bondage but in the power and victory of the cross. The Sin of mankind was dealt a mighty blow by our Savior at the cross. God raised him up for our justification that we could come into His holy presence as one who has no sin. We are declared righteous through the blood of Jesus.

Beloved, it is about time we start living as one that knows God from the free pardon of sin and put the devil where he belongs and that is under our feet. Friends; we must never give the devil an inch in our lives. He will lure us to take the bait like an angler trying to catch a fish. He will make it look appealing but remember, if we do take the bait, it will have consequences and place us in bondage.

It is time to come to God and come out of irons. What is the source of strength and stability in your life? Dear friend, If your trust is in anything but the Lord, then you are walking on unsteady ground.

1. We find in God's word that the Lord never changes.
2. The LORD is the Everlasting God, the Creator of the ends of the Earth.
3. He will not grow tired or weary, and His ways are higher than ours.
4. He gives strength to the weary and increases the power of the weak.

Youths may grow tired and weary, and young men stumble and fall.

***Isaiah 40:31*** “But those who wait (hope) in the LORD will renew (exchange) their strength for his. They will soar on wings like eagles; they will run and not grow weary, they will walk and not faint as warriors in their Christian walk”.

Dear reader, now that you feel special and your life has some meaning, do you not think God placed others in your life for a reason? We do not need a physic or horoscope to predict our future, because all we need do is delight in ourselves in the Lord and look at what lies within. Our future is not ahead of us as some would think but it was placed within us at birth by a loving creator that will never leave us but go with us all the way to the end of the world.

### **What If My Life is a Mess and My Plan Failed?**

My, my, my, can I even begin to write on this because from a teen till a grown man I have failed miserably but you know what dear reader; while on my way to minister to some drivers at our Association of Christian Truckers Road Angel Truckers Center located off Interstate 70 exit 68 in Brownstown, Illinois, I had a visitation from the Lord. He spoke in my spirit that he was pleased with me and even through all of my life even in the times I was messing up, he was pleased with me because he saw my heart.

I discovered through my journey that in order for God to use us fully to be a witness to others things may come our way that will cause us to question like Job why was I even born and maybe it would be better if I was never born. (Have you been there?).

Beloved, I also discovered that in some occasions God will allow severe trials and obstacles to come against us especially those chosen for large ministries. He will allow circumstances, peoples and things to come into our life for three reasons.

1. To educate us
2. To teach us
3. To elevate us to the next level

Sometimes God will allow things to come our way that will take us apart and break our will that we can be put back together to operate in his will especially those chosen for special ministries.

We can illustrate this process which does not happen overnight to a crew hired to refurbish a house. Someone driving by every day on their way to work may get the impression that the home owner hired a wrecking crew instead of someone to restore and refurbish their home. Beloved before anything can be restored it must be inspected inside and out.

The old must be removed to make sure the foundation and joists that hold the house together are in good shape then the outside appearance can be completed to bring beauty, security and comfort to the home owner. (Are you that person?).

The book of John chapter four speaks of a Samaritan woman that met Jesus at the well. Do you remember that story that made it in God's book and how she ran and told her story which knowing her past failed marriages caused a whole city to come see the Lord for themselves?

This woman like some of us had a rough start in life but in the end, she was able to make it into God's book as one who was able to evangelize a whole city.

The woman was looked down on as being an unfaithful woman.

The Jewish rabbis of that day would usually tolerate up to three divorces but this woman has been married five times. What made this woman stand out when no doubt she knew that women would gossip behind her back? (Is This You?).

This Samaritan woman had a slow start in life but made it into God's hall of fame. She like some of us no doubt grew up having dreams of someday becoming a happily married wife with a wonderful family and may have even had a hope chest preparing for that day which she would show to her friends.

The Lord made the statements in John four that his needs brought him to this Samaritan woman even though the Jews were to have no dealings with the Samaritans.

The woman may have had great plans for her life only to see them vanish right before her very eyes. She has said "I Do" to five husbands only to watch her marriages fall apart. (Is this You?).

Notice dear reader, she is no longer respected and now she is dealing with low self-esteem and cannot come to the well in the cool of the day like the other women because now she is living with a man that is not her husband.

Look at her, she is a broken vessel who had some knowledge of the coming Messiah and temple worship.

Notice that Christ asked the woman to receive Him and his Gift without any prerequisite change in her life. (God wants us as we are).

After she was persuaded and believed that he was the promised messiah, her way of living would be changed forever. (This can be You).

Beloved, I, like many others before me can reflect back on my life and identify with this woman and her failures; however I have decided that someone's opinion of me does not have to become my reality and they will not be the one that will sign my report card.

Beloved, I am no longer the man I was, my nature has been changed and I have been forgiven. (He Loves Me).

**Prov. 19:21** "Many are the plans in a man's heart, but it is the Lord's purpose that prevails."

**Psalms 37:4** "Delight thyself also in the Lord, and he shall give thee the desires of Thine Heart."

## **Chapter 4**

### **WHY THE NEED FOR THE BLOOD?**

Dear reader, I am attempting to write this book with an urgency to get the body of Christ to wake up and recognize the late hour we are living in where sin is abounding with its dead left in its wake throughout our world.

Some preachers have made statements that they have really had to battle with enemy spirits when they attempted to bring a message on the blood.

Yes, some of our bible versions today have omitted the scriptures that mention the blood from their translations.

God states in his word that Abel's blood whom was slain in an act of jealousy by his wayward brother, cried out from the ground so that tells me that the blood has a voice and God says the land will pay for the shedding of innocent blood.

I remember one time God had me minister on this subject and it was at a particular church that seemed to show no emotion during the times I had ministered there before.

I informed the congregation that God wanted me to speak on the blood of Christ and related to them that other ministers had related of their struggles with the devil when they attempted to preach on this subject.

I gracefully told them that I know what the blood is and what it has done for the greatest creation that God has created and that would be the human race.

I remember referring back to Moses going upon the mountain to die and Joshua coming forth as a chosen successor to lead God's people into the Promised Land.

I became a little excited as the Lord had me use as an illustration and relate my message back to the refuge cities found in ***Exodus 21:14 and Joshua 20: 7-8.***

These cities of refuge are types of being in Christ in whom sinners can find forgiveness and a refuge from the destroyer of our souls. I am getting excited as I picture the enemy of our souls chasing after me trying his best to slander my name because of past mistakes but beloved you might ask why the blood well let me tell you as you read this, you too will find some hope and realize it is not what I was yesterday but it is what I am today because the blood of Christ is a protector and divider that will not allow the enemy in to scare us with death or any of his schemes.

Let me now begin to explain to you why the blood and what it means to have a refuge from sin and its punishment of death. It is Christ and his atoning blood that cleanses us and provides a refuge from the curse and condemnation of the law whose penalty is death. As we do this study we will discover that only Christ can provide a safe refuge and to him we must run and ask forgiveness from our sins and the wrath of God?

God instructed Joshua to prepare these set aside cities which would serve as a place where one could flee in case of a wrongful death until they could get a fair trial or would be set free at the death of the high priest because the people of that day were known to be people that would act to revenge someone near to them if they had been wronged.

The cities were to be within two hours running distance and the roads to these cities were to be patrolled that they might remain open and accessible.

I remember the Lord have me relate the message illustrating a made up scene with two men working in a field and one using an ax and without warning had it fly out of his hands and strike his friend killing him.

Although innocent of his friends death, the man had no choice but run to one of these cities of refuge with all his strength because the relatives of his friend would not understand that it was an accident and would surely kill him in a vengeful rage.

Look at him run, he is almost there but in the distance gaining ground, he can here the man's friends and family close on his heels. Out of breath and with a last minute rush of strength the man makes it into the protected bounds of the refuge city leaving the men in pursuit no choice but to stop their advance.

Here he is within distance of his pursuers lying on the grass attempting to get his breath however they are not allowed to cross the line and take his life because he is safe in this city of refuge until he can get a fair trial or the death of the high priest which would set him free.

Beloved hear me and hear me well because this is what the blood of Jesus has done for us. The blood of God's Son Jesus is both a protecting and dividing barrier that the devil cannot cross and I shall make an attempt to prove it to you in this study.

Most religions claim to be the way to God, but Jesus did not come to found a religion or claim to have had a vision but to bridge the gap of fellowship with the Eternal God that was lost through Adam. His birth was prophesied as found in the Holy Scriptures.

See ***Isaiah 7:14***,<sup>14</sup>Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

**Isaiah 9:6-7**<sup>6</sup>For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.

<sup>7</sup>Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The zeal of the LORD of hosts will perform this.

**Micah 5:2** <sup>2</sup>But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting.

Yes dear reader, the facts are found in history that Jesus was born on this Earth, lived his life to about 33 and 1/3 years and was crucified at the hands of the Romans.

Listen dear reader, God could not make another Adam from an Earth that became under a curse but that is what the holiness of God demanded or man would be forever separated from his creator.

To be separated or isolated from our creator would be like a spacecraft leaving this planet and developing a malfunction in its guidance system which would cause it to be stranded in space unable to make its way back home to Earth.

The men inside would never see their families again. They would be isolated in space until their oxygen level dropped too low to sustain their life and then they would die.

**Romans 6:23** states the wages of sin is death and that is what we got through the fall of Adam. When Adam sinned in the garden, sin was passed upon the whole human race and we were cut off and isolated from a holy God who hates sin and is perfect in all his ways.

Beloved in Adam, we could never regained fellowship with God but the all wise Eternal God had a plan to rescue as many as possible from the rebellion caused by Satan.

In the fullness of time, he would send a deliverer for all mankind. He would be born of a virgin and have God's blood like Adam.

It was the hope and prayer of young Jewish virgins to be the one chosen to bear the promised Messiah that would bear the sin debt for all mankind.

Mohammed and other great men who founded religions had to get in line with Abraham and the prophets but Jesus existed as the word before the line was formed.

The first book of John states that by him (Jesus the Word) God made the worlds. I heard that there is a place in the Koran that speaks of Jesus speaking life into a bird?

Jesus did not come to found a religion but to bridge the sin gap and teach us how to have a relationship with God.

There are signs in Italy that says “All roads lead to Rome”. I am here to tell you that not all roads lead to heaven and all religions do not lead to God. The Holy bible states that Jesus is the only way to God.

Jesus is not a way but the way.

The way to heaven is paved by his precious blood. He became a curse for us. He had to be arrested and tried as a common criminal.

He also had to be convicted and be executed as a criminal. He willfully took our place and all sin was placed upon him at the cross of crucifixion.

The scriptures teach that he who knew no sin was made sin for us that we might be called the righteousness of God in him.

Yes dear reader, God made the way plain and it is up to us to either accept his pardon for our sin or reject it and be found guilty before an angry God who at death will require the innocent blood of his Son upon our head.

Let's face it; there is no other religion that can take the guilt and stain of blood from a murderer's hands but Christianity which is not a religion but is based on a personal relationship with God.

The scriptures teach that the blood of Jesus Christ cleanses from all unrighteousness. You might ask how his red blood is able to make us white as snow. Dear ones, it is a spiritual transformation that takes place in the heart of man. Just as one would apply soap to wash their body we apply the blood in receiving his great sacrifice and daily reading his word to enrich our soul. One can work in a soap factory and even stand next to it but it will not clean unless it is applied. We apply the blood in receiving his free gift of salvation which is given freely without merit.

God chose the foolishness of preaching to save them that will believe in his (Jesus) virgin birth, death and resurrection. Dear reader, He is the other Adam and he was once one of us. The word states in *Isaiah 53:10* that “Thou shall make his soul an offering for sin.” Beloved this means Jesus the other Adam had a soul just like you and me. The word also states in God’s Holy word found in *2cd Corinthians 5:19* that “God was in Christ reconciling the world unto himself. Thoughts (Reconsolidating the debt into one) (Recolonizing) .

Dear reader, Jesus not only had a soul but *Isaiah 53;10* states that his soul (Jesus) was made an offering for sin and verse 11 states that “thou shalt see the travail or anguish of his soul and be satisfied.

The reward of his sufferings is to establish his church here on Earth that the redeemed family of God may enjoy fellowship with our father.

The true church of God is made up of believers in his finished work through Christ. Christianity is not a religion like all the others but a way of life maintaining a relationship with a wonderful God who desires a family.

When we accept Jesus as our savior, we are adopted into God's family as heirs. Jesus is the only name that God recognizes. (*Acts 4:12*).

There is no other name under heaven whereby men can be saved.

The Bible takes sin very seriously, more so than perhaps any other religion.

Sin alienates us from the presence of God. Sin is rooted in the heart of man. Sin cannot be removed by any self-help program.

No other religion has any viable help to offer for the removal of sin.

I close with a well-documented fact that happened in Chicago that caused a stir among the many world religions that had their representatives there to prove their religion was the way to God.

During one session, Dr. Joseph Cook, of Boston, suddenly rose and said: 'Gentlemen, I have sit and listened to each of you attempt to prove to us that your religion is the one that will get us to God and get his attention but I beg to introduce to you a woman with a great sorrow.

Bloodstains are on her hands, and nothing she has tried will remove them. The blood is that of a murderer. She has been driven to desperation in her distress. I believe if my mind does not deceive me that he was speaking of Lady Macbeth that was a required reading in school.

Gentlemen, is there anything in your religion that will remove her sin and give her peace as there was an unexpected silence among the gathering?

Not a single reply was heard.

Raising his eyes heavenwards, Dr. Cook then cried out. 'John can you tell this woman how to get rid of her awful sin?'

The great preacher waited as if listening for a reply. Suddenly he cried, 'Listen John speaks; *Chapter 1 verse 7 Quote KJV* **'The Blood of Jesus Christ his Son, cleanseth us from all sin'**.

Not a soul broke the silence; the representatives of Eastern religions and Western cults sat dumb as they had nothing in their teachings that would provide the needed answer.

Glory to the Lamb of God, now we know why the songs in our worship services have such a ring of hope as the words proclaim the gospel and the plan of God for His Creation.

"What can wash away my sin, Nothing, but the Blood of Jesus"

Beloved, the sin nature passed upon the human race inherited through the fall of Adam demanded the blood shed at Calvary for the remission of sins.

In the face of human need, the Gospel of Jesus Christ alone can and will meet the need to change our vile sinful heart. I do not care what our past is like or what we have done even to the place of being confined in a prison, the devil cannot hold our past against us as to make us feel guilty because once we have accepted the blood of Christ as God's requirement for our sin, we are set free from the law of sin and death.

Romans the eight chapter says, ***'For the law of the spirit of life in Christ Jesus has set us free from the law of sin and death that we might become the righteousness (right standing with God) of God in Christ Jesus'***

This peace with God will cause a person to be able to forgive someone who has violated them or their family such as a rapist or even a murderer for they now see the real picture and that is that people without a changed nature who have not dealt with the sin problem will act like and serve their master which is Satan.

Thank God for a wonderful God that predestined our birth and life for his cause and purpose. Yes, thank God for the blood of Jesus which will protect us from evil, make our life count and keep the enemy from bringing his facts against us.

Beloved, the world has the peace of God but we who are saved have peace with Him because we have been cleansed by the blood of God's precious lamb. Yes dear reader, the fellowship we lost through Adam can now be restored by accepting the sacrifice of Jesus as God's final payment for our sin.

Beloved, now that we have gleaned from this study and discovered that our birth on Earth was not an accident but predestined for His divine purpose, let us fall before Him in reverence and ask Him to forgive our sins and transgressions.

Let us pray, Lord we believe you sent Jesus to pay the sin debt and die in our place. We believe He died and rose again for our justification. Lord, we accept your free pardon and we ask You to create in us a clean heart and right spirit; Lord wash us in the blood of Your dear Son and remove anything that we may have inherited that is displeasing to You from our blood line. In closing we ask that You make our life count and with our whole heart, we pledge our allegiance to You and Your kingdom.

Dear reader, if you have prayed this prayer sincerely from your heart please share your testimony with us so we can rejoice with you!

## My Conclusion

Beloved, I am glad that God knows them that are His and this gives us hope which is called the Anchor of our soul in knowing that if this Earthly house were dissolved (which means our earthly body made of flesh) we have a house in the heavens not made with hands.

The child of God may leave their body but they will never lose consciousness at death.

God states in His word that the death of His saints is precious in His eyes.

Thank God when this mortal will put on immortality and I may be sown in weakness but will be raised in his power.

I may be somewhat of a philosopher now and some may think I have lost my marbles but one day I shall be changed and bear the image of the heavenly just as Christ bore the image of the earthly and became our sin substitute which satisfied the law and wrath of God. **1st Corinthians 8 verse 3** expresses the fact that the man who loves God is known of God. I want to close this book with **Romans 8 verse 37** in plain English *“Who can separate us from the love of Christ, shall trouble, hardship, persecution, hunger, poverty, danger, or death, “Nay in all these things we are more than conquerors through him that loved us.”*

Dear reader if this book has been used of God to enlighten and touch your life, please get in touch with us and allow us to share in your blessing.

I would now like to close this work of God with a song that I used to sing. Will you imagine this song as you read the words?

***“The Savior gave His life for His Sheep”.***

The Shepard gave his life; The wrath of God was satisfied when the Shepard gave his life for the sheep; and I walked out of deaths prison; from my chains set free; I don't have to pay sins awful penalty; for the Shepard gave his life; the wrath of God was satisfied when the Shepard gave his life for the sheep”  
.(This was Me) (Is it also You).
