OPENING PRAYER

Lord I pray, you use this work to show the people that you are the unchanging God. Your word declares it, that what you were yesterday, you are today, and will be tomorrow! Lord, I also pray a special prayer that you will assign an Angel with each book and that your Holy Spirit will enlighten those that are seeking a closer walk and a deeper understanding of the truths embedded in your word. Lord I pray, you use this work to stir up revival and show the people that you are the Unchanging God. Your word declares it, that what you were yesterday, you are today, and will be tomorrow! ***Hebrews 13:8***

Father, I sincerely come before your throne and pray a special prayer asking that you will assign an Angel with each of my books that for many years have been distributed and mailed without charge throughout the inner cities of America and many countries throughout the world.

Dear Lord you know my heart that I did not under your inspiration and guidance write these books for personal gain but through a burning desire believing your Holy Spirit will use this work to enlighten those that are seeking a closer walk and a deeper prayer life including understanding of the truths embedded in your word. Dear God, help us to always remember that we as your children are a part of your body on Earth and your word states that when one member suffers we all suffer.

Dear Lord, in closing this prayer, we need your daily direction and guidance. Help us Lord to keep in view your tender mercy, love, grace and supreme sacrifice in becoming our sin substitute. Lord, help us to demonstrate to all who see us that we are indeed the body of Christ and in this trying time of unrest and confusion, may we always bear in mind that you are a very present help in the time of trouble. We ask this in Jesus mighty name. **A-MEN**

PREFACE

Dear reader, are you at this moment experiencing a deep desire that is lingering within to know more about why you are here and a deep yearning to know more about the Creator that knew you before you were born, then I know this book will enlighten you to truths that will help you understand that you are a created masterpiece with a unique design that has a divine purpose for being here. This book will enlighten you to the divine plan and purpose of our Creator to fulfill a divine plan to rescue his greatest creation, mankind from the fall and rebellion of Satan. This book came about in April 2018 as I was preparing to attend and speak in the Philippines celebrating the Anniversary of my Apostle Don Stewart. During this time, I had several visitations with the Lord asking me to write a book on his humanity and let the people know that he was once one of us. I know this book is going to be used of the Lord to change some lives and give deeper understanding to others and may God get the glory. **A-men.**

Chapter 1

Who is the Man Jesus?

Dear reader, modern archaeology has uncovered and revealed many of the mysteries the bible speaks of causing many skeptics to come forth and state the bible to be an accurate document of writings which helps to silence the mouth of some whose voice spoke things they were unable to substantiate. We also find that studies conducted by renowned men of integrity have proven the New Testament to be the most well preserved accurate documents concerning the life and ministry of Jesus and his disciples. His own brother James like some of his family members had doubts but after his resurrection, James became a believer and has been credited as being the Author of the book of James in the New Testament. Listen dear reader, God could not make another Adam from the dust of the Earth that became under a curse because of the fall in the garden but that is what the holiness of God demanded or man would be forever separated from his creator.

To be separated or isolated from our creator would be like a space craft leaving this planet and developing a malfunction in its guidance system which would cause it to be stranded in space unable to make its way back home to Earth. The tragedy is that the men inside would never see their families again. They would be isolated in space until their oxygen level dropped too low to sustain their life and then they would die.

The bible teaches that the wages of sin is death and that is what we got through the fall of Adam. Because Adam ate the forbidden fruit, sin was passed upon the whole human race. Because of sin, Adam and Eve were driven from the garden they were to see after and were forced to live off of the Earth that now was placed under a curse. Beloved, because of their sin in the garden, in giving into the temptations of the tempter and partaking of the forbidden fruit which God had forewarned that in the day ye eat, of ye shall surely die, beloved, this act of breaking this one and only commandment caused the entire human race to be cut off and isolated from a Holy God who hates sin and is perfect in all his ways.

In Adam, we could never have got back into fellowship with a God that is perfect in all his ways but not without hope for the Living God had a plan to rescue as many as possible from the rebellion caused by Satan. He would send a deliverer for all mankind. The coming deliverer would be born of a virgin and not have the blood of polluted man but have God's blood like Adam. It was the hope and prayer of young Jewish virgins to be the one chosen to bear the promised Messiah who would bear the sin debt for all mankind. Mohammed and other great men who founded religions had to get in line with Abraham and the prophets but Jesus existed as the word before the line was formed. The first book of John states that by him (Jesus the Word) God made the worlds. Jesus did not come to found a new religion but to teach us how to have a relationship with God. Beloved, there are signs in Italy that says "All roads lead to Rome". I am here to tell you that not all roads lead to heaven and all religions do not lead to God. The Holy bible states that Jesus is the way to God. Jesus is not a way but the way.

Saints, the way to heaven is paved by his precious blood. Jesus the I Am God fulfilled more than enough Old Testament prophecies that would stand up in any court of law concerning his entrance into this world to pay the sin debt for God's greatest creation which is man. He who knew no sin became a curse for us. Christ had to be arrested and tried as a common criminal. He also had to be convicted and be executed as a criminal. He willfully took our place and all sin was placed upon him at the cross of crucifixion. Jesus is the only name that God will recognize. God did not send him to another planet or another form of life but to and for the seed of Adam. The scriptures teach that he who knew no sin was made sin for us that we might be called the righteousness of God in him. Yes dear reader, God made the way of salvation plain and it is left up to us to either accept his pardon for our sin or reject it.

Beloved, if we neglect this wonderful plan that was made for us before the foundation of this world, we will be found standing before an angry God who at our death will require the blood of his Son be placed on our head.

Let's face it; there is no other religion that can take the guilt and stain of blood from a murderer's hands but Christianity.

The scriptures teach that the blood of Jesus Christ cleanses from all unrighteousness. Beloved, this is not a religion like all the others but a way of life maintaining a relationship with a wonderful God who desires a family. Let's face it, Jesus was spoken of by the heathen in old Jewish writings as a man called "Christus" that practiced sorcery and was executed by Pilot testifying to the fact that he did live and performed many great miracles. We are commanded in God's word to either accept Jesus as being who he claims to be or die in our sins and forever be lost. Jesus became our sin substitute or in other words, he died that horrible death in our place that the fellowship we lost with our perfect Creator through Adam might be restored through Christ.

Beloved, although Christ may not have been a good moral teacher in some scholar's eyes, the word states that he was seen of more than 500 people at one time in one place after his resurrection. He was and became God's plan to redeem his creation back into fellowship with him.

When we accept Jesus as our savior, we are adopted into God's family as heirs. Jesus is the only name that God recognizes.

(Acts 4:12) There is no other name under heaven whereby men can be saved.

Beloved, we can mock him, and even reject him but the evidence of his birth, life, mission and resurrection is documented throughout history. I am talking about bootleggers, drug dealers, and criminals changing their lifestyle by accepting him as Lord and Savior over their life. Some of these have went on to become great men of God who allowed the Living God to leave his signature through them to us today.

After reading this, you may even want to whisper a prayer to the one God whom you are not sure exists and ask him to guide you to the truth and who knows, you might be one of the ones he will choose to use that will turn this messed up society around.

Chapter 2

Our Coming Deliverer

When it comes to the creation of man, we see this wonderful creator getting personal and up close as he forms man from the dust of the ground. God speaks concerning all that he created as being good but never mentioned one time that he loved it however he states in John 3 verse 16 that he so loved the world that he gave his only begotten Son. This gives us a picture of God's love for his greatest creation which is man. God made man from the dust of the ground in his own image and likeness. The first man named Adam was created and designed to live forever in the presence of his creator and till the garden that his creator had planted. Adam had the blood of his creator running through his veins and he was perfect and holy before a Holy God until his fall in the garden as he succumbed to the temper that had already caused his beautiful partner Eve to eat of the forbidden fruit that their creator had told them to not eat of.

Beloved, God not Satan set the penalty for breaking his law and eating the fruit. The first man was warned that to eat of the forbidden fruit would bring death. The penalty imposed was to be death however God is a perfect God and his justice demanded that if he made a man in his image and likeness that he must make a way for man to be redeemed should he fall. After the fall in the garden, we find this wonderful creator bring justice as He gives man his sentence for breaking his law but not without providing His wonderful creation a promise of a coming deliverer who would both put the tempter in his place and restore the fellowship of man back to his original relationship with his God and creator. God, who is perfect and demands perfection, could not form another Adam from the dust of the Earth that now has a curse on it because of the fall in the garden. Here is the first glimpse we get of Jesus as our coming deliverer. Our coming deliverer would be a man like Adam but not get his blood from man. He would have God's blood like Adam and would through a wonderful plan crush the enemy under His feet.

Later, we find this creator writing His law on stone tablets for His servant Moses thundering with a loud fist from Mt. Sinai as the unapproachable God who would not tolerate the breaking of His laws. We see Him as a perfect being whose holiness requires that anything less than holy would not be able to live in His sight. We find later that the law was given to us in order to show us what it would take to have fellowship restored with our creator and how short we come of meeting this requirement. This wonderful creator called and sent men with messages of hope that one day a deliverer would come to set men free from the bondage of sin that now reined in his blood. We see this wonderful creator choose men and later a sect of people that would worship Him and follow His leading. We see Abraham believe God, as he was willing to offer his son of promise Isaac as a sacrifice to God. God caused a ram to be caught in the thicket as God would not only provide this sacrifice but would one day clothe himself in humanity and pay the sin debt we all owe because of our sin nature passed down to us from our first ancestors in the garden.

Beloved, here again, we see the Word of God (Jesus) (Holy Spirit) visiting this world as the Angel of God both to lead, guide and protect God's people to bring them into the land He had prepared for them and to raise up a people that one day that through them God would produce a deliverer for all mankind. We see Him protect them from their enemies, as He would lead them out of bondage and into a land that He had chosen for them.

In John 17, we find Jesus speaking of the Glory which he had with God before the foundation of the world. John 1 speaks of the word creating everything in the universe and Hebrews states that the Son is the radiance of the Glory of God. Colossians speaks of all things being held together by the word of his power and going back to John 17, we find Jesus speaking of the Father giving him a work to accomplish and a people to redeem. My, my, my dear reader I believe right here is a place to give him some praise! I am so full of thankfulness and I know I may be getting off script but I am so thankful for the day when God's darling Son became my dying Savior.

Chapter 3

God Makes a Way

Jesus began His Earthly ministry at the age of thirty after being baptized by John in the river of Jordan. We see this same man do unexplained miracles as he went about the Father's business doing good and healing all that was oppressed by the enemy of our souls. Here we see Him as a prophet like Moses and also a teacher as He trained and equipped twelve disciples that were handpicked by God.

Beloved, the unapproachable God thundering with an iron fist in times past was now being revealed through His Son (Jesus) as an approachable God that wanted a relationship with mankind. These men ate with him and were eyewitness of the love the unseen God had for them as three of them were on the mount of transfiguration and saw Moses and Elijah speaking with Him about his destiny to bear the sins of the world on an old rugged cross outside of Jerusalem.

Here in this setting they saw His appearance change and saw Him in His true glory as the almighty God who is immutable and never changes.

Saints, after three and one half years of ministry, we see Him arrested by an angry mob in the garden of Gethsemane but not before all were knocked down by an unseen power to give us insight that no man had power over Him unless it was granted from His Father above.

Here we find Christ in his office being our protector as he would not allow the mob to arrest the others with Him to fulfill the scriptures that all had forsaken Him but of his sheep he had lost none. He was taken to the high priest where He was mocked, spit on and beaten.

Later He was taken to Pilots hall where He was questioned and later taken to a whipping post and beaten beyond recognition. Here we see Him (Jesus) in his office as our model sufferer as He received the thirty-nine stripes for our healing.

Next we see Him crucified on an old rugged cross hanging between the heavens and the Earth experiencing excruciating pain with words of love and forgiveness bearing the sins of mankind and making a way for the fellowship between God and man to be restored. Here we see Him (Jesus) in His office as our redeemer.

Here me saints of God and hear me well, In this setting and plan of God, Christ was spilling His life's blood fulfilling the scriptures in John 14 stating I go to prepare you a place meaning I go to the cross to pay the penalty of death that fallen man can make their way back to fellowship and become one with God.

Christ suffered the awful death on the cross to make away for fallen man to have the opportunity to come back into fellowship with a Holy God; that he would be raised from the dead to begin the reconciliation process starting with his disciples. Beloved, the blood which flowed from his body was priceless. It was shed in seven different places and every one of them played a role in our redemption.

Authors Note--- In later chapters, I will discuss more revelation on these truths and reveal what God showed me in the Philippines April of 2018 that will give more clarity to the Humanity of Christ being the Second Adam.

Food for thought is the first Adam gave in to the woman and ate of the forbidden fruit causing a barrier to be between God and man but the second Adam won the battle in the garden.

Beloved, it was the second Adam (Jesus) that fulfilled the requirement for our sins to be paid in full for the life of man is in the blood. After six hours on the cross we find Him placing His (human) Spirit in the Fathers hands as He paid the final debt of sin, which is death. Note here beloved that **the Holy Spirit or Spirit of God had left him** which means **he had a soul and spirit just like you and me. It is his personal soul and spirit that he is offering to God** fulfilling the scriptures in Isaiah 53:10 which states that God has made his soul an offering for sin and in another place the scriptures state that **he that knew no sin was made sin for us.**

Remember beloved, the scriptures state in 2 Corinthians 5:19 that **God was in Christ** reconciling the world to himself. We can think of this in two ways and that would be to reconcile a debt into one payment or recolonize which both will fit well in this setting.

Beloved, when Jesus physically died, the word in Matthew 27:51 states that the veil at the temple was rent in two from the top to the bottom with the Earth shaking and rocks splitting.

In the days of Jesus some say that the veil was 4 inches thick, 60 feet high and 20 feet wide but there is some speculation on these measurements.

Beloved, when Jesus died, the scriptures speak of him going to hell or hades and liberating the souls of the saints that had died trusting in the Lord to provide a redeemer that they might one day be with Him. The scriptures in Matthew 27: 52 state that after the resurrection of Jesus many of the saints arose and went into the Holy city appearing too many people.

We can look at Matthew 12:40 and find Jesus stating that **“as Jonas was three days and three nights in the whale’s belly, so shall the Son of man be three days and three nights in the heart of the Earth.”** Peter in 1Peter 3: 19, 20 speaks of him **preaching to the spirits that were in prison** some for disobedience and some scholars even mention the **fallen Angels** that had **fallen from grace**.

Beloved, our God is a Holy and just God in all his ways in dealing with man his greatest creation. Satan challenged him before all creation of not being a just God which caused a third of the Holy Angels to join his rebellion.

Beloved, my revelation on this through three years of prayer is in this thought and scripture reference which I shall clarify more in another chapter of this study. 2Corinthian 5:21 simplified says that **Christ who knew no sin was made sin for us** and in Isaiah 53: 10 states of how **it pleased God to make his soul an offering for sin**. Beloved the scriptures speak of Jesus descending into the lowest part of the Earth preaching to the souls that had died in Noah's flood.

If we look at this carefully, we will come to the conclusion that this would include those that had died since Adam giving everyone a chance to believe and be saved. The scriptures also teach that when God saw the travail of his soul and the reward of his sufferings, he raised him up and gave him a name above every name that is known and made him both Lord and Christ.

The scriptures also teach that when Christ arose that he took the Old Testament saints from the lowest parts of the Earth to Heaven that they might live in the presence of his loving Father.

In Luke 16th chapter we find the parable of the rich man and Lazarus which gives us a view of hell being split into two realms; one being a place of comfort and the other being a place of torment.

Beloved, we also find that there is a great gulf or divide there separating the two. Paradise which could be referred to as Abraham's bosom was a place of comfort where the Old Testament believers such as Abraham entered after death because the Lord Jesus had not at this time paid the supreme sacrifice for redemption that made the way for fallen man to get back to God.

After the death and resurrection of Jesus, paradise was moved to heaven and we find Paul in his out of body experience speaking of being in the third heaven then later referring to it as paradise. Saints, the fallen spirits in hell did not know who he was.

They probably thought that they had stopped an important prophet but on that third day and night when God's plan was complete, the Lord Jesus, the second Adam was elevated and the scriptures speak of him throwing of different ranks of fallen angels which had at one time had been in the presence of God.

Saints, to better look at this we can do a study on the different ranks of Angels in Heaven like the Cherubim's which mean covering or protectors such as the ones guarding the entrance to the garden as man was cast out. The Seraphim's which had six wings and flew in the presence of God, then we have Lucifer the Archangel which means the first created being one of highest ranking Angels before God.

In this setting when God's plan which was secret in the Godhead is completed, we find Christ as Lord taking the keys (the authority) of death, hell and the grave away from the deceiver Satan who had tricked our ancestors Adam and Eve in the Garden of Eden and caused man to lose fellowship with his creator.

Here we see Him (Jesus) in His office as the seed of the woman that would crush the serpent's head. Christ entered into Heaven and presented His blood that was shed in seven different places to the Father who accepted it as full payment for man's rebellion. Each place where the blood was shed had a special role in the precious Atonement of fallen creation. Leviticus 16:19 He shall sprinkle some of the blood on it with his finger seven times to cleanse it and to consecrate it from the uncleanness of the Israelites.

1. Shedding of blood in the Garden of Gethsemane by intense persevering prayer by sweating his blood.
2. The 39 stripes on his back
3. Beaten causing internal bleeding
4. Crown of thorns
5. Blood from his pierced hands
6. Blood from his pierced feet
7. Blood from spear thrust in his side

Beloved, I wish the photo above could be in color and can we just stop right here and raise our hands in a wave offering for the passion of Christ and his great sacrifice for us. My, after presenting his blood before God which was shed in seven places as full payment for our sins including being exalted and given a name that is above every name that is named, we find him returning to the world for forty days to equip and train his disciples to carry on the work of the new covenant which he had established that would do away with animal sacrifices as a way to remove sin.

The new covenant consists of a new relationship between God and man with Jesus sitting at the right hand of God being the mediator between God and Man. The Holy Spirit is the executor of the new covenant and our bible is the constitution between God and man. Beloved, Christ was seen on the day of his resurrection by Mary in the garden. She noticed the empty tomb and thought they had moved his body. She did not recognize the Lord and supposed he was a caretaker. She humbly asked him to tell her where they had moved him and she would go get him then he called her name (Mary) which caused her to look closer and recognize him.

Mary instantly recognized him as her Lord. He calmly asked her not to touch him informing her that he had not yet ascended to his God and her God.

Some scholars think he is telling her that he had not yet offered his atoning blood on the altar of God however most commentaries state this is not the case but through the original scriptures they discovered that he was referring to his exalted position and would not be held like he was before because he is now both Lord and Christ the mediator between God and man.

After his resurrection, Christ remained on the Earth for forty days after his resurrection and was able to appear behind closed doors including appearing as the resurrected Christ to more than five hundred at one time.

The glorified Christ used his allotted time left on Earth to set things in order including finishing the training of his disciples that they might declare the good news to all people throughout the known world which they did including all but John the beloved giving their lives for the cause of the gospel message. Saints, what a shout and welcome that was waiting on them in Heaven as the Angels carried their souls through the pearly gates.

The word speaks in Luke 22 of a Kingdom with the Apostles judging the twelve tribes of Israel. I often think of the saints that have went on as being the great cloud of witnesses as referred to in Hebrews 12th chapter. I do know that the blood has a voice and we find it being spoken of by God when referring to Abel's blood crying from the ground. That should give us warning concerning the spilling of innocent blood and the judgements that will fall on a nation not heeding God's warning.

Yes, beloved, Christ's blood still has a voice in the courts of heaven declaring the price has been paid for the restoration of men, cities and nations to be redeemed.

His priceless blood is crying out before the throne of God for our forgiveness and redemption making us a purchased possession Ephesians 1, 13-14 and Acts 20: 26. Saints, His blood is crying that the price for all creation has been paid for in full granting the Father to fulfill his plan to bring the Earth back under his authority and Kingdom. Beloved, I am so full right now that all I can write is let his passion be found in me as I quote my favorite scripture "Let the words of my mouth and the mediation of my heart be acceptable in thy sight O Lord my strength and my redeemer.

Chapter 4

The Hope That Gives Hope

Saints, we find in the ending of Luke 24 and the beginning of Acts 1, Jesus taking His disciples out as far as Bethany and instructing them to go and wait until they be endued with power from above, we see Him leaving this world on a cloud as two men appear in shining garments proclaiming to his disciples that this same Jesus that they see going away would one day return the same way. Dear reader we find that ten days after his ascension there were one hundred and twenty assembled in an upper room in one mind and one accord when all of a sudden there was a sound as of a mighty rushing wind filling the room. The promise of the Father had come and the Holy Spirit was given to empower them for the task ahead. Here we see Him (Jesus) in His office as our High Priest. Beloved before his ascension one had to be where he was in order to receive from Him because He was confined in a human body.

After his ascension, we now we see Jesus (the Word) Holy Spirit or Spirit of Jesus in His released glorified body being omnipresent that is everywhere at the same time fulfilling the scripture that God was in Christ reconciling the world back to Himself. The scriptures teach that the same Spirit that raised Jesus shall be in us which defines him clearly as the Spirit of Jesus. Next we see Him (Jesus) sitting at the right hand of God as our intercessor and high priest making intercession for us that we might be presented blameless as a trophy of his grace to the Father on that day when we will all be reunited with our loved ones described as the marriage supper of the Lamb. Later we find Him coming back with His saints as King of Kings and Lord of Lords to punish the wicked and establish Himself as King upon the throne of David to rule and reign for one thousand years fulfilling Psalms 110 verse 1. Dear reader, the scriptures teach that he who knew no sin was made sin for us that we might be called the righteousness of God in him. Yes dear reader, God made the way of salvation plain and left the decision up to us, to either accept his pardon for our sin or reject it.

Saints, if we neglect this wonderful plan that was made for us before the foundation of the world, we will be found standing before an angry God who at death will require the blood of his Son to be placed on our head.

John 1 chapter states that in him is life and that life is the light of men. The one who gives us life is also the one who gives us guidance. Because of who we are in the family of God, we have rights to approach him as Sons and Daughters. We have been made to be Kings and Priests of God and sit with Christ on his throne with an invitation to share in his Glory. We are never alone as long as we abide in the vine (Christ). We may be in a world filled with hungry wolves but we must remember that we have a watchful guardian. Thank God, the one that sent us will also make the journey with us as our guide and guardian. It feels good to be in the safety of the sheep fold but sheep must get out and graze to put on wool. Sheep will not follow or come to anyone but their Shepard.

God's word tells us in Hebrews 13: 5 that he will never leave us but go with us all the way even to the end of the world. Friend, we are not making this journey without a guide.

Beloved, not only is Jesus the giver and sustainer of my life but he is my guide. (Romans 8:17) Because I have the Giver of life in my heart, I have been adopted in to God's family making me an heir of God and a joint heir with Jesus Christ. Friend, we must remain in the vine (Jesus) and maintain a healthy relationship with our Lord and master that we may bear good fruit. We call this abiding as recorded in John the 15th chapter as keeping a close intimate relationship with our Lord. Beloved, the living God has carefully taken time to plan each part of our life in advance which I call our moment of time that we will live on this planet. Beloved, in eternity past, God worked out the course that our life would take and he knows everything that will happen to us in this life span. We were created to accomplish something special that no other person on Earth can accomplish, that God may leave his signature through our life to other generations.

God placed the plans for our life within us when we were born and that is why we are to delight our-self in him that he may bring these hidden desires into a reality. Everyone born on this planet is here for a divine purpose and God desires for them to discover their purpose and fulfill his plan for their life.

Saints, some today just want to go along with the crowd and blend in but hear me beloved, you are special and were created to stand out, not blend in. Every person born on this planet regardless of gender or race was created to stand out as a unique person. Some people may be from a different culture or nation but they have a divine purpose.

Beloved, someone born on this planet may be a dictator ruling with an iron fist but they have a divine purpose. Beloved, they may be a murderer, a rapist or may even be mixed up in their gender but they have a divine purpose and if we view them as to who they are or what they have done then we have failed to see how God sees them and we may have been the very one that he would use to help them discover their purpose.

Dear reader, we are to allow the love of God to shine through us and let them know that they are loved with an unconditional love by their creator. Friend, God allowed them to make the egg and experience life because **he has a divine purpose for their existence.** Dear reader, **no one has your finger prints nor do they have your DNA.** You are special and were created to stand out, not blend in.

Our God knows every piece of matter that is in the universe and everything seen and unseen has a purpose for its existence. We are not a mistake but were created to fulfill and accomplish something significant and make a difference in our generation. Beloved, out of all the thousands of sperm that was released, God allow you to make it and become a person. Beloved, you were allowed to experience life because you have a divine purpose for being on this planet. Beloved, you were created to accomplish something special that no other person on Earth can accomplish, that God may leave his signature through your life to help others.

The Lord stated in his word in Psalms 40th chapter “lo I come in the volume of the book, it is written of me, I delight to do thy will O my God.” We also find in Hebrews 10th chapter almost the same quote concerning God’s plans written in a book.

Beloved this should show us clearly that almighty God has plans for us that were written in our personal books before we were born.

Remember at the judgement he speaks of not only the book of life but other books being opened and I at this time in April 2021 just after retiring from a 43 year trucking career, has been this “Lord please get me to the place where I can fulfill all that is written concerning my life and ministry in the books of Heaven.”

Beloved, God placed the plans for our life within us when we were born and that is why we are to delight our-self in him that he may bring these hidden desires into a reality. God has a plan to rescue as many as possible from Satan’s camp and gather together unto himself a people that he would call his family.

Saints, God foreknew who would choose his plan and he also knew that the majority would reject it and be lost forever. Dear ones, we were predestined to become his Sons and Daughters at the cross. God approaches us with the preaching of the cross which encourages us to accept Jesus Christ as Savior and Lord. **Our accepting Jesus is the first step in his plan for redemption** that was predestined for us before the foundation of the world.

God demonstrated a desire to save people by his Love, his Grace and his workmanship through the finished work of Christ and the inward working of his Spirit. We start to fulfill his purpose by doing good works that glorify his name in the Earth.

Saints, we must understand that God's divine plan for us is in the Spirit. In Hebrews the 9th chapter, we find the Lord through the Eternal Spirit entering Heaven and offering himself without spot to God. This scripture states that Christ through the Eternal Spirit offered himself without spot to God that he may purge our conscience from dead works to serve the living God.

Beloved, Jesus needed the Eternal Spirit to help complete the plan of God and what makes us think that we can fulfill our role and destiny here on Earth without his divine help.

The Spirit of God knows the plan for our life and is here to help us fulfill that plan and purpose to his glory. We can better understand this by observing someone trying to fill the void in their heart (place made by God for God) with church membership, others by living life in the fast lane but in the end feeling lonely and empty.

It is like Dr. Law showing us the holiness of God and how far we are from it through our dead rituals and deeds which cannot give life but then we meet Dr. Grace which leads us to receive a heart transplant but not only do the surgery but introduce us to the donor of our new heart. Glory, Glory, Glory, somebody touched me it must have been the hand of the Lord. It was on a Sunday that the Lord saved me out of my trespasses and sin giving me hope and a new outlook on life with blessed assurance that he is mine and I am his now working in his vineyard.

Beloved can we pause and reflect on that day or night when we accepted Jesus into our life? I remember preaching on the memorial stones as spoken of in Joshua the 4th chapter.

Remember that the water departed that was overflowing at its banks and as soon as the priest feet carrying the Ark entered the waters, the waters departed? Joshua had them carry the 12 heavy stones from the middle of the Jordan River which had been made smooth from being in the currents of the water. Notice there were around three and one half million people at this crossing. The priests had to stand with the ark in the middle of the river until all the people had safely crossed over. I remember preaching that the stones from the other side were carried and placed in the river and when the Priests stepped out of the water then the waters came back together. I was preaching on my walk with Christ and when things look sour and hopeless. I just take a trip back down memory lane back to the Jordan when the waters are down and look at the 12 large stones that was carried from the other side of the river (representing the supernatural) and remember what it was like and how my life changed when Christ stepped into my life.

What a change took place within that started working its way out when Christ entered my life. Beloved, then I think about the 12 smooth stones on the other side and look at all the works, miracles, ministries, and books that was birthed out of me through that experience and I just have to give him some praise. Beloved, when I think about what he has done in my life and ministry, all that depression even the guilt of my past mistakes has got to give way to victory because I am one that He picked up out of the ashes, combed the shame out of my hair and whispered sweet peace to my soul.

Beloved, the twelve smooth stones that had been taken out of the river was placed on the other side as a testimony and memorial for future generations to view and remember how God provided for and protected his people.

These stones (memories) not only help us but also serve as a point of contact with God's work in the past, in preserving his people and for us in this present time, that we have a wonderful friend we can seek that desires a one on one personal relationship with us.

Beloved, has God ever healed your body, delivered you or a loved one from alcohol, from drugs or has he like King David, lifted you up out of the deep miry clay and set your feet on the solid rock? Beloved, can we go further here since we are in the flow and ask you to look back and ask yourself this important question? Has God met a financial need in your life that looked hopeless? Beloved, I don't know about you but I am going to end this chapter with some praise and thankfulness as I build a memorial remembering the great things that God has done for me. Beloved, my God has blessed me beyond measure even when I did not deserve it and made me a prized trophy of his grace that he may leave his signature through me to future generations. The Living God had to reach way down below the bottom to make my life count and He wants to do the same for you. I encourage you to get to know Him on a personal level and you will be blessed as I am. There is nothing the church needs more today than a fresh encounter with the holiness and presence of the living God.

Chapter 5

The Door to the Spirit

Beloved, before I get into the deep truths of divine intimacy, let me say that singing our favorite songs that may give us an emotional high is nothing unless we are in true worship coming forth from the adoration that is in our hearts and that is why some people tend to fall back in the same routine and leave church feeling like they missed something. There are some today that leave a church service more entertained than elevated which seems to be the church norm. I hope you have enjoyed this book so far but now it is time to discover the secret to dwelling and abiding in that most holy place where only few have arrived. We start by studying the First and Third chapters of the book of Ephesians where we will find the Apostle Paul praying for the Ephesian people the most important prayer that a person can pray for another believer. He is praying that God would take these people deeper and deeper into an intimate knowledge of who he is.

Saints, if we do a study on the names of God, we will discover that each one defines his character of who he is, what he is like and what he has done for us. Beloved, I strongly suggest that you do a study on his names and you will like me be in full adoration of who he is. We find in Exodus 19:18 that Mount Sinai was covered with smoke because the Lord descended upon it with fire. The smoke billowed up from it like smoke from a furnace, and the whole mountain trembled violently. The people heard the sound of a trumpet sounding loud and increasing in volume followed by a voice proclaiming his name and proclaiming his glory. The word says that Moses spoke and God answered him by a voice. Paul in this First Chapter is praying and asking God to grant a prayer to the Ephesians that only the Holy Spirit is able to give. We find in Chapter Two and verse 18 that we have access to God by his Spirit. Paul is not asking for more strength, more motivation or more determination for these men but for them to be endued with Spiritual Wisdom and Revelation that would bring them to a greater understanding and revelation of the Knowledge of God.

Beloved, are you hungry for more of God if so let's look at the First Chapter and starting at the 17th verse we find the prayer prayed by the Apostle Paul for these Ephesian people that we can pray and enter his presence. Beloved, I want to emphasize that when we pray this prayer and by praying the scriptures mentioned above that we are praying a prayer that God recognizes.

Dear reader, are you hungry for that deeper walk and do you seek an intimate relationship with the living God then I strongly suggest you study the life of King David and find out what real worship is all about. True worship begins when we see our Lord for who he is, and catch a glimpse of his Holiness. It is how we esteem (Value) (Admire) him for who he is. We worship him in our heart and we praise him with our voice to vent out the worship that is filling our heart. I want you to know that there is power unleashed when we enter into true worship and praise. Saints, the scriptures declare that God inhabits the praises of his people therefore can we stop right here in the middle of reading this chapter and give him some praise and while doing it can we think of him flexing his muscles as we worship in praise?

Beloved, we are instructed in his word to let our light shine and in this setting we understand that His Spirit is in the heart of the believer therefore when we give and consecrate our life to God, his power indwells and shines through us to a world looking for answers.

Saints, let's face it, with all the killings and unrest around us causing people to fear and lose hope, can we agree that this world needs a revival that will usher in repentance causing an awakening that will result in fresh fire falling from heaven revealing the holiness of God that will expose and unmask anything that is false. The President of our International Ministry, my beautiful gift from Heaven Sister Agustina M. Hulse spoke on this at a gathering in the Philippines using as an illustration that could only have come out of a devoted spirit filled life consecrated to his cause and purpose. Sister Augustina opened with the theme verse selected for the seminar being **Matthew 5: 16** ***"Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven"***.

Sister Augustina slowly looked around at a packed audience and a sincere question that seemed to get everyone's attention. Have you ever been afraid of the dark and have you ever been in a dark cave or a dark room and experienced the feeling of being alone and hopeless?

She went on to ask the congregation, can you imagine with me for a moment, what it would be like stumbling around trying to find the door or entrance and with your mind playing tricks on you, but then you remember that you have a box of matches in your pocket? Trying to keep calm, you take out a match and light it watching as it flickers to life chasing away the shadows making you feel warm inside giving you hope and dispelling the fear that surrounded you just moments before. After a few seconds, Sister Augustina in a soft tone of voice, said to the captured audience, beloved the flickering of this little match bringing hope in this helpless situation can be compared to what little bit we do for God can do through us in a dark world.

Beloved it is the little bit we do with a consecrated life dedicated to God and his purpose that will be like a light in a dark world filled with people looking for answers and a reason to live. Beloved, a consecrated life dedicated to God and his purpose will get God's attention and bring hope to a troubled soul causing the burdens that are attempting to hold us captive, lose their grasp as we get our eyes and focus on him who loves us and gave himself for us. Beloved, in order for us to be this light, we must be able to hear his voice and obey his instructions recognizing that timing is everything with God. Dear reader, solitude (privacy) is the key to hearing God's voice in knowing Him and preaching His Word with an anointing that will break the grasp that the powers of darkness have on the people. Jesus said that when we pray, we are to go into our closets in private and it is in that private place that Satan is restricted and is unable to hear our prayers because here in this secret place, we are covered by the shield of His love. Beloved, it is time to get past the Sanctuary of worship and enter in to a wonderful relationship with Christ who is not flesh and blood but an Eternal Being. Saints, nothing should ever be allowed to take the place of being in his abiding presence.

Beloved, there should never be a question in our mind when it comes to our relationship with him. Beloved, I am talking about People places and things including family which are temporal and will come to an end but our place of being in direct relationship with him will determine how much he can trust us with in the world to come. We need to come into a place of holy reverence for who he is and what he has done for us that we might be called **Sons and Daughters of the Most High God**. We have got to get past regular worship which is filled with man-made forms and agendas which exemplify the flesh more than the creator. Saints, are you hungry for real worship that brings real results then understand that I am talking about when church becomes more than good meetings and good preaching? Beloved real worship is when we get tired of church in the norm and the world being able to sit comfortably in our meetings with no conviction of sin and their way of life. Beloved, when we enter in and seek his presence with our whole heart, we are guaranteed by his word that he shall be found. The problem today is people today want a neat religion that they can control.

Beloved, there is nothing the church needs more today than a fresh encounter with the holiness and presence of the living God. Men and women have made attempts to bring God down to their level and lower his standard and requirements for living but when his presence and holiness is introduced to us by his Spirit then we find and discover that he is the Standard and has called all men and women unto repentance. The scriptures reveal that great men of God trembled and fell on their faces when they found themselves in the presence of the Holy Angels and we can only imagine what it will be like to meet this awesome Eternal being who spoke everything seen and unseen into existence that was created out of nothing, and stand before him giving account of our life and stewardship? Beloved let me reinstate this fact that we all will face, did you know the scriptures teach that one day we will stand before him and give an account of our lives? This Awesome Creator has extended unto each of us an invitation to accept his free pardon and his grace through the finished work of his Son Jesus Christ in giving his life as a ransom for all that receive his pardon and forgiveness.

Beloved, we that are saved have received the Spirit of his Son into our hearts making us Sons, Daughters and Heirs of his royal family.

Saints, this Awesome God is calling us to come out of the outer court of the sanctuary and into the inner court of his presence and grace.

Are you ready?

Beloved, Christ has offered to share his Glory and his throne with his people for the scriptures state that one day we shall judge Angels. When we dwell in this intimate place, the powers of darkness are unable to pervade for it is our private time of knowing God and experiencing Him in a way that can only be described as complete intimacy! I tell people that approach me concerning my walk with Christ and the high anointing on my life that they can go drink from the same fountain that I drink from and that beloved reader, is the fresh clear water of the Holy Spirit by spending time with him in solitude. Solitude or getting alone with God allows our body to unwind and make room for him to download his plan and purpose into our spirit.

Beloved, we need to understand that we are spirit beings and we need his Holy Spirit to lead and guide us into his will and way. Saints, we need this solitude time alone with our creator. We can look at the life of Jesus and find him spending many nights on a Judean hillside communing with his heavenly Father which prepared and made him complete in fulfilling his role in God's plan of redemption by living his life as a living example before his disciples. Beloved, as we spend time in fasting and prayer, we will discover a special bond developing between us and his Spirit. Saints, through our consecrated prayer life, we will discover that there are different levels we can attain in him as we keep focused and open to his inner voice. We will also discover that the atmosphere around us will change and there will be portals open to God's throne room that we are not able to reach with ordinary prayer. The scriptures declare that the precious Holy Spirit will not glorify Himself but will always lift up and glorify Jesus. God's Spirit is the one that gave me and revealed to me the deep revelations found in this book including the revelation that God was in Christ (Jesus) reconciling the world back to himself.

Chapter 6

The Secret to Power

Dear reader, are you searching to know the God of all creation, yes the God of the bible? I will now relate the intimate secret to entering into and enjoying the presence of God. It is revealed in praying this prayer found in Ephesians chapter one and in chapter three. We look at the first chapter and starting at the 17th verse we find the prayer prayed by the Apostle Paul for the Ephesian people. This is a special prayer because no one outside of Christ can pray this prayer. I now ask you an important question that will determine the intensity in your walk with God?

- 1. Are ready to develop that special prayer time and pray these scriptures every day in your prayer time?**

Beloved, I strongly suggest you memorize these powerful scriptures and get them in your spirit man. I conditioned myself some years back to memorize and pray these scriptures.

Beloved, every time I had a spare moment on my hands, I would catch myself quoting and praying these scriptures. While driving my 18 wheeler late at night and usually around 3 am in the early morning hours, I would be quoting these scriptures and talking to God. I loved those early morning hours for I discovered at that time of the morning that most demonic activity has calmed down making it easier to pray. Dear reader, are you hungry and ready to go further then turn to the third chapter of Ephesians and start at the 1st verse. In this setting, we find the Apostle Paul launching deeper in this prayer and thanking God for who he is in a spirit of worship. He then asks God to grant unto them to be strengthened with might by his Spirit in the inner man that they might know the unfathomable Love of Christ. Paul had already prayed that they might know God in his might, power and resurrection but now he is praying for them to be strengthened in the inner most being by his Spirit. Here Paul is praying for spiritual growth and well-being of these Ephesians that they might know the length, the depth, and the height of God's love shown to us through the giving of his Son to suffer our penalty of death and by raising him up for our justification.

Paul was praying that these precious people would understand that through this great sacrifice of God's dear Son, the way would be made for us to become Sons and Daughters of the Most High God. Beloved, when we become Sons and Daughters of God and have received the Spirit of adoption into His Royal family, we discover that this prayer states clearly, there is nothing we can think of that he is not able to bring to pass. The bottom line is that God will honor this prayer and the Christian Life has God's Mercy as its foundation. All our songs, praise, prayers, communion services, preaching and our giving reflects upon the mercy of God that is clearly seen in Jesus Christ the Son. Dear reader, because of his mercy, my whole life that was upside down and empty of meaning is now one of worship and adoration for this wonderful God whom I call my friend. Beloved, my prayer is for you to get to know him and realize that God yes the God of Creation was in Christ (reconsolidating) the debt to one or you can say in another term, God was (recolonizing) the planet with (his glory) which is (his way of life). God was in Christ Jesus reconciling the world back to himself. Call on him today while there is still time.

1. Do you know Christ as Lord and Savior and have you asked him to come into your life and heart?
2. Are you tired of what you have had to endure in life and has the enemy done anything for you?
3. If you were to die right now, do you know if you will go to Heaven and face God with joy or end up in everlasting torment and shame?

Dear reader, I invite you to check out my book that can be found on Amazon or get it free from our website witheredhand.org titled **“A Day After Salvation.”** Beloved, this book is full of wisdom and council concerning salvation. It comes from years of experience and study in my own personal walk with God and I know it will help enrich your life and ministry and may God get the glory. A-Men

Chapter 7

The Humanity of Christ

Dear reader, we have finally come to the purpose of this book and the reason it was written? Saints, why the Lord chose me instead of the hundreds of millions better than me is a great mystery but not long ago, Bishop Joey Johnson the lead Pastor of the House of the Lord in Akron, Ohio called informing me that in his prayer time the Lord spoke in his spirit to call and inform me that he has found that he can trust me which blew my mind. This really blessed me knowing that most of my life has been one of rejection and hurt but you know what saints, I discovered that before God will use someone for a greater purpose, he sometimes will allow circumstances, people, shame and wrong decisions to completely take them apart till there is none of them left. Paul in speaking of the church at Ephesus spoke of a situation so drastic that he and the men with him barely escaped with their lives making the statement that they were pressed out of themselves.

Beloved, if we are pressed out of ourselves, and we are one of his then the bottom line would be that we are pressed into Christ which is a good place to be. Beloved the development of a true man and woman of God is a slow process which sometimes can take up to thirty or even forty years to complete. God is in no hurry and his goal is to produce character especially in one chosen for a future showdown with the kingdom of darkness.

After we have nothing left but him, this wonderful creator will gently love on us putting our life and ministry back together with a stability to stand in the fiercest situations.

We will not fall and succumb to things that took us down before but will stand with boldness, confidence and a determination with a made up mind to complete our purpose and assignment because we no longer live for anything this world has to offer but live to leave a legacy that will help others find the wisdom that took years for us to find and realize it is not about us but about him being glorified and lifted up as a beacon of shining hope to a hurting world.

Beloved, the revelation of the truths in this book took me over three years to receive and the Lord is serious about the sacred writing that is revealed in this book. Beloved, did you know Jesus was once one of us and had a soul and spirit just like us? The revelation of this beloved blew me away.

The visitation happened as I was in a motel preparing for my trip to the Philippines. This is April 2021 and the vision was in April 2018. Isn't it amazing that I am finishing this book three (3) years later on the same month I had the visitation? Beloved, the visitation is as clear today as if it was yesterday. Saints, my trip was coming up in April 2018 to leave the USA and be a guest speaker for Apostle Don Stewart in Alaminos City, Philippines.

Miracle Life Fellowship International churches would be gathered there to celebrate Apostle Don's anniversary. Saints, I was in deep consecrated prayer before this long trip when all of a sudden it was like I was lifted from my motel room into another dimension. The surrounding walls faded and I was face to face with my Lord. The Lord said Jerry, I want you to write a book on my humanity because I want people to know that I love them and was once one of them. I said Lord, what are you talking about and how can I even attempt to write this book?

The Lord said when I was borne of the Virgin Mary, I took on humanity because **I came as the other Adam.** I said yes I know but then he said, you got to understand my child that I was 100 percent man and **I had a soul and spirit just like you.** **When I was on Earth, I was not God.** What? I started testing the spirit that was talking to me disguised as Jesus saying something like “Tell me Jesus is Lord” then the Holy Spirit quoted to me this scripture that is found in the book of II Corinthians 5:19 which states that God was in Christ reconciling the world unto himself. Wow, I thought, this is bible, then he said something that would cause people to stone me and actually it made me mad!

In the visitation the Lord said, **“Jerry, when I went to hell, I did not go there as God but as you!”** What, this blew me away until the blessed Holy Spirit started quoting bible to me. He spoke in my spirit a scripture which can be found in Corinthians 5:21. This scripture says that **He that knew no sin was made sin for us** that we might be made the righteousness of God in him.

The Spirit of God then quoted Isaiah 53:10 which says that **it pleased the Lord to bruise him and make his soul an offering for sin.** Beloved, this revelation got my full attention. Instead of being angry with me, **the Lord smiled and with tears stated that his people need to understand that they have a high priest that can be touched with the feeling of their infirmities** which is bible scripture found in Hebrews 4:15.

Beloved, this really broke me down and caused me to tremble before the Lord for it was as if I could feel his heart. I am actually in the presence of the one that has used me to do mighty miracles and I am trembling in his presence. Saints, he then said Jerry, when I died as a man and went to hell I did not go there as God but I went there in the place of fallen man.

The Holy Spirit brought Psalms 16:10 to my memory saying **“Thou will not leave my soul in hell neither will Thou suffer thine Holy one to see corruption.”** It was at this time in the vision that I found myself alone with many questions.

Saints, I have been seeking the Lord for more than three years concerning this revelation and let me tell you that I have been trembling before him wondering why he would choose me to write this book. In a way beloved, I am honored but other ways, I am scared.

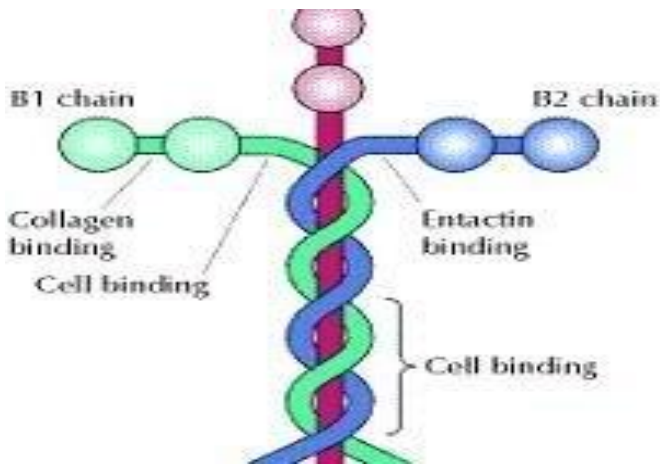

The scriptures still flash in my mind concerning the Lord becoming a curse for you and me because everyone that hangs on a tree is made a curse. The Apostle Paul in Galatians 3rd chapter quotes Deuteronomy 21:23 concerning one that is hanged on a tree is cursed of God therefore Jesus was made a curse for us to redeem and free us from the curse of the law becoming a curse for us.

Beloved, according to the revelation that God has given me, Jesus went to hell as a condemned criminal in our place. The devil did not set the penalty for sin and God did not set it as a payment but a standard. Saints, even now my body is trembling with his Spirit overriding my central nervous system in waves and bursts of glory.

Beloved, God had a brilliant plan that was kept secret in the Godhead. Our God executed a plan where he could retain his Holiness but also become man's Savior putting to rest any future thought questioning his Holy Character as being a just God. Saints, we get more revelation on this brilliant plan when we discover that not only was man sculpted from the dust of the earth, but was sculpted with a cell structure holding his body together called **Laminin** which bore the shape of the cross. Yes, beloved, while Adam walked with God in the cool of the garden before the fall, God was looking at the cross that was holding him together. Beloved, God was waiting on that day when he would indwell Jesus and become man's Savior. Beloved, are you beginning to get an understanding of the sacrifice the Lord endured to redeem fallen man from the sin of Adam in the garden. Just think about this as we continue, Adam fell into the trap of Satan and sold us out in the garden but we have hope because Jesus overcame Satan and won us back in the garden because as he prayed until his sweat became as great drops of blood, he was reminding God of his sacrifice and his plan.

Our Lord was praying that God would receive us in the same way he receives him. We can better understand this by studying the letter found in the book of Philemon that Paul had sent to the master of the runaway slave informing him of his conversion to Christ and asking him to not receive him as the man he was but receive him like he would receive him because he too had been converted under Paul's ministry. This is what Jesus was doing in the garden suffering in great agony as he began the process of birthing the church because the scriptures state in many places that **Christ was slain before the foundation of the world** and that means before the creation and fall of Adam, Jesus was already slain in the mind and plan of God. Dear reader, **Satan challenged God on his justice system** which caused a third of the Angels to rebel and revolt against God. Other Angels might have had questions as they watched the others revolt but the all wise eternal God had a master plan. In the secret of the Godhead the decision was made to make this planet suitable to sustain life.

God spoke everything seen and unseen into existence out of nothing but got down personal with Adam as he formed him from the dust of the Earth. God placed in Adam a glue like substance called Laminin that would hold his cells together and it was shaped in the form of a cross, the very tool that God would one day use to pay the price for the sin of all mankind. I am talking about the day when he would personally plan and orchestrate events which would place Jesus the other Adam on that old rugged Roman Cross hanging between the Heaven and the Earth becoming a curse while bearing the weight and sin for all mankind including fallen creation. May I remind you that God is the one that set the death penalty as the price for sin not Satan and he put Adam together with a glue like cell structure called Laminin which resembled the form of a cross? This alone beloved, brings many thoughts and questions to my infinite mind? We discovered in our study that Jesus was the other Adam with a human body but did he have the same cell structure? Beloved, I often wonder that the many times I have messed up even once walking away, was God looking at my cell structure reminding him of the cross where his darling Son became my dying savior?

**THIS IS LAMININ THE CELL STRUCTURE
THAT HOLDS OUR BODY TOGETHER!**

Isaiah: 53 verse 10

Yet it pleased the LORD to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hand. Beloved, can we stop right here and sing “Oh What a Savior, oh Hallelujah, His heart was broken on Calvary; his hands were nail scared; his side was riven, he gave his life’s blood for even me. Death’s chilling waters, one day I’m going to be crossing but his hand will lead me safely there. Yes, beloved because of his sacrifice, we have a blessed hope and assurance of a better life.

Beloved, many in the church world today remind me of the wicked prophet Balaam that was warned of God not to curse Israel and even though he went with the King as a prophet for hire he could not curse what God had blessed. Dear reader go with me and view what he must have saw as God had the tribes pitch their tents in a certain formation **and if viewed from a distant hillside they would resemble the form of a cross.** Yes what a God and as we go further in this study, we are going to discover a lot more but just think about it, when Adam sinned in the garden, it did not catch God off guard for he had a plan to become man's savior. Every time he walked with Adam in the garden he knew he would fall and every time he looked at him he could see the cross like cell structure holding his body together. It is like the stern judge that never gave anyone a break but one day his own mother was brought before him. She was caught in the very act of committing a crime. The judge found her guilty and sentenced her to the full extent that the law would allow then with tears, got up from his bench and removed his robe. He then stuck his wrists out to the bailiff and requested to be allowed to serve his mom's sentence.

Dear reader this is what God did for you and for me as he placed Adam in the garden with the fallen Archangel Lucifer that had caused a revolt in heaven knowing that his greatest creation would soon fall to the tempter but God had a master plan in place to serve man's sentence by becoming his Savior.

Chapter 8

Jesus Christ the other Adam

Dear reader, do you believe Jesus was God while on Earth or do you believe the scriptures that declare that God was in Him without measure reconciling the world back unto himself? This blew me away when the Lord appeared to me in that lonely motel room and asked me to write this book. Let me warn you ahead of time that this must be read with consecrated prayer and an open mind.

Like I said when this vision took place and I found myself face to face with the Lord himself, I found myself questioning what he was saying to me but the blessed Holy Spirit began to quote the scriptures to me which I will place here for you to view. Some preach that he was 100 percent man and 100 percent God when he was born on Earth but was he? We have read in other chapters that God was in Christ which should give us insight to who he was while here on Earth.

The revelation in three years of consecrated prayer is that Jesus born of the Virgin Mary was the other Adam having a human soul and spirit just like you and me.

Beloved, the scriptures speak of a special body prepared just for him that God's Spirit may dwell in him without measure as told in Hebrews 10:5.

Beloved, In order to fulfill the plan and redemption purpose of God, Jesus could not be anything that Adam wasn't before the fall. We read in other chapters that God was in Christ reconciling the world back unto himself but who is Jesus and who is the God that was in him?

Beloved, my studies have brought me to the conclusion that there are not three Gods but one God deciding to reveal himself in three distinct persons. The scriptures teach that in the beginning was the word and the word was made flesh. The scriptures also teach in John 4:24 that God is Spirit and his worshippers must worship him in spirit and truth.

Beloved, if the word was in the beginning and the word was God with all things being made by and for him then who is Jesus? My revelation is that because we are created in his image and likeness including having the ability to create things, then our thoughts produce atoms and when we speak the atoms begin to move and create. Beloved this is what we call operating by faith because God by faith and his spoken word created the universe.

Our God is a creator therefore in the beginning the Spirit of God moved over the waters to bring this uninhabited Earth into one that would sustain life therefore in the beginning was the thought (Jesus the logos word) in the mind of God. The word or thought was made flesh and we beheld him as the only begotten of the Father, so who was Jesus?

Beloved, the pillar of fire by night protecting Israel from her enemies and the one that took on human form appearing to Joshua as the captain of the Lord's host is the same one that indwelt Jesus in full measure as he lived on this Earth as a man. That is why he loved to be called and often referred to himself in the scriptures as the Son of man.

Every moment of his time on Earth from his virgin birth to his death including the miracles God did through him was an interaction with man and creation to deliver fallen man and all creation from the curse brought on by sin. Beloved, God left Jesus on the cross as he cried out in Matthew 27: 46 “MY God my God, why have you forsaken me fulfilling the scriptures in Psalms 22 of being forsaken by God.

Beloved, since we know God left Jesus on the cross and later we find in Romans 8: 11 stating that the same Spirit who raised Jesus shall be in us and quicken our mortal bodies then here we get a glimpse of the Blessed Holy Ghost the very one that baptized John in his mother’s womb. This blessed Holy Spirit is the one that indwelt and empowered Jesus while here on Earth. We receive his Spirit at conversion by measure and it is he **a person** that gives us the faith to be saved.

Jesus the Son of God had the blessed Holy Ghost, the one that was active during creation possess him without measure making him 100 % God and 100% man but **on that cross the very God that was in him left him to die** and become a curse for all mankind fulfilling the scriptures we studied before concerning **he that knew no sin was made sin for us.** Jesus the man, the other Adam said the words “It is finished then he said Father into thine hands commend I **my spirit.**” Notice that he said my spirit here and not the Holy Spirit that had previously left him. He is now all alone to become a curse and sin for all mankind. Beloved, I know this is deep and it is with trembling fingers, that I am careful to write only what I am inspired to write under his inspiration and guidance. Beloved, He that knew no sin (JESUS) was made sin in our place. He died a sinner’s death and we find that **his soul was made an offering for sin.** Beloved, according to this revelation, God’s Son Jesus went to hell as a condemned criminal in your place and mine.

Remember beloved, that he was there three days and three nights preaching who he was as the promised messiah to the spirits that were held there even into the lowest realms of hell where spirits were confined for wicked crimes such as the Angels that had left their first estate or (holy place with God) and married the daughters of men attempting to pollute the blood line to prevent the plan of God and the coming deliverer from being born. Beloved, **the scriptures state that if the princes of this world had known who he was that they would not have had him crucified.** Saints, our Lord was there preaching to the spirits held in prison that had perished in Noah's flood and in my mind the questions arise that if he preached to those up unto the flood of Noah which destroyed everything living except for Noah and his family being 8 persons then he actually preached to all that had lived since Adam giving every soul a chance to hear the gospel message. **The scriptures teach that the 3 days and 3 nights in hell consisted of him preaching to spirits.**

Beloved, the Lord himself made reference in Matthew 12:40 concerning Jonas being 3 days and nights in the whale's belly so shall the Son of man be in the heart of the Earth. This is more than the Good Friday till Sunday we celebrate today.

Dear reader, we later discover that he was surrounded by principalities and powers of darkness which represent the various ranks of fallen spirits mentioned in earlier chapters as being some of the fallen Cherubs and Seraphim's that had followed Satan in his revolt against God. Beloved, the revelation God gave me on this is that **these evil powers did not actually know who he was.** Beloved, the only thing they rejoiced about is that they thought they had stopped God's man or maybe God's foretold deliver however they still did not understand God's plan of redemption for fallen man and a cursed creation. The scriptures state in Isaiah 53: 11 "thou shall see the travail of his soul and shall be satisfied." It speaks of the salvation of his people, his obedience unto death and his sorrows and sufferings.

Beloved after the 3rd day and the 3rd night, the same Holy Spirit that was in him without measure which had left our Lord on the cross came again into hell itself and fully possessed him with God highly exalting him making him both Lord and Christ. Beloved may we shout with him as he took the keys of death, hell and the grave from Satan signifying the price for the redemption of man and creation was now complete. The spirits he had preached too in prison were now about to see him lead a march out of hell.

The scriptures teach in Colossians 2: 15 that Jesus having spoiled or disarmed principalities and powers, made a public spectacle of them, triumphing over them in it meaning his death on the cross. Ephesians the 1st chapter speaks of the work of God which he wrought or completed in Christ when he raised him from the dead.

Beloved the thought that comes to me is on this fashion, Jesus asked God if there was any other way while praying in the garden but unlike the other Adam which gave into the temptation, said not my will but thine be done. (Glory, Glory, Glory)

Yes, beloved, these scriptures state that God raised him up far above all principalities, powers, might and dominion meaning thrones and kingdoms. God gave him a name above every name that is named not only in this world but also in the world to come. Beloved, Jesus is the name that God recognizes even being referred to by Jesus as being the Authority in which we as his body are designated to use against the powers and dark rulers of this world. God raised up the second Adam (Jesus) exalted and made him both Lord and Christ. Saints, God gave him to be head over all things to the church which is his body the fullness of him that filleth all in all. Beloved the light beside me that has been on dim all day just came on bright then went back to dim which got my undivided attention. Saints, I feel a powerful presence of God beside me infilling me as I make an attempt to finish his book and I do it in the fear and admonition of who he is and I feel that he is pleased as I have waited three full years to even make an attempt to finish this book on his virgin birth, life, death burial and resurrection. I can now find myself like the Apostle Paul when he stated that he wanted to know him in the power of his resurrection.

Paul also stated and I join him in saying that I am not ashamed of the gospel of Christ for it is the power of God unto salvation.

Saints, at this time, I feel led of the Lord to reflect back a little on what we have learned in the life and ministry of our Lord.

Beloved, according to the law of God, the penalty placed on sin is the penalty of death both spiritually and physically. The scriptures teach that God told Adam and Eve that in the day you eat of the forbidden fruit ye shall surely die. Beloved, Adam died spiritually that day and was driven by the Angels out of the garden where he enjoyed fellowship with his creator. God then placed a time limit on the days and life expectancy of his creation. Fallen man could no longer enjoy fellowship with his creator but could only look out to find something to measure himself and I think that is part of our problem today. We have had teachers in our public schools teaching our young children that there is no creator and man evolved from monkey's or even a tadpole crawling out of the ocean or something like a protoplasm that had a thought one day and evolved into a person.

Saints, this study consisting on the plan and purpose of God wrought through the virgin birth, life, death, and resurrection of the Lord Jesus Christ is one that will cause us to realize why we mean so much to God and why he desires a family to be with him forever.

Beloved, in-order to reflect on what we have learned in this study, let's make an attempt to study and pray over the scriptures that will give us some insight on the plan and redemption process to redeem mankind that once again will allow man to gain access to the throne of the living God.

Some have asked me why I include the word of God in most of my books and the answer is simple, God has bound himself with an oath to his word.

Romans 6:23 King James Version (KJV)

²³ For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

II Corinthians 5: 19 To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.

I Corinthians 2:8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.

Isaiah: 53 verse 10 Yet it pleased the LORD to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hand.

Romans 5:12-21 King James Version (KJV)

¹² Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

¹³ (For until the law sin was in the world: but sin is not imputed when there is no law.

¹⁴ Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, who is the figure of him that was to come.

¹⁵ But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many.

¹⁶ And not as it was by one that sinned, so is the gift: for the judgment was by one to condemnation, but the free gift is of many offences unto justification.

¹⁷ For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.)

¹⁸ Therefore as by the offence of one judgment came upon all men to condemnation; even so by the righteousness of one the free gift came upon all men unto justification of life. ¹⁹ For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous.

²⁰ Moreover the law entered, that the offence might abound. But where sin abounded, grace did much more abound:

²¹ That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord.

1 Corinthians 15:47

It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. ⁴⁵And so it is written, The first man Adam was made a living soul; the last Adam *was made* a quickening spirit. ⁴⁶Howbeit that *was* not first which is spiritual, but that which is natural; and afterward that which is spiritual.

⁴⁷**The first man *is* of the earth, earthy: the second man *is* the Lord from heaven.** ⁴⁸As *is* the earthy, such *are* they also that are earthy: and as *is* the heavenly, such *are* they also that are heavenly. ⁴⁹And as we have borne the image of the earthy, we shall also bear the image of the heavenly. ⁵⁰Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption.

Chapter 9

The Unity of the Corn

Saints, we are nearing the end of our study and I am impressed to close with a special message that came from a dream I had on April 23, 2021. Beloved, the dream was so real and it started with the setting of being in the shop of an auto dealership and mind you, I was a truck mechanic since in my teens including working for several trucking companies including Mason & Dixon, American Farm lines, McClendon Trucking and General Car and Truck leaving them in 1987 and re-entering long distance over the road trucking. In the dream, some of the mechanics knew me and was asking me questions while working on putting a transmission in a vehicle. I don't remember if it was mine but I do recall they were asking me information about mine. Make a mental note that this usually represents service. Suddenly, I found myself in a fairground like setting with some wind blowing. There were people joining hands as if expecting something special to happen.

The way they were joining hands could be likened to ball players placing one hand in on top of the hand of the other players signifying that they are a team. In the dream one of the elderly guys for some reason took hold of my left hand. Now my left hand is the one that showed up on the scanners in Atlanta airport on my way to be a guest in the Philippines at Apostle Don Stewart's anniversary. The fireball in my left hand was showing the anointing that had followed my ministry. Their scanners captured it and it was pointed out to me by TSA officers that turned out to be spirit filled ministers. This is the hand that the man took hold of and I noticed in the dream that he started dancing as if to put out a fire. In the motion of letting go of my hand, the man looked at a man beside me that appeared to be stunned and exclaimed "this guy has got some spunk." I noticed in the dream that I looked down at my hands and both of them had beautiful white leather gloves on them representing purity and endurance. His buddy then took hold of my right hand and started dancing as if he had touched an electric wire. I then woke up.

I approached the President of my ministry Withered Hand Ministries, Inc. Robert Hale concerning this dream and he with excitement made a statement that brought everything into focus. You see several years ago, we had discussions about the first church bringing and eating the tithe in the church. He explained to me that they were celebrating the Lord's goodness and his blessing in their life going from house to house breaking bread and sharing testimonies with one another. He then said something that got my attention. He said "**the unity of the corn.**"

Beloved, this took me back to the founding of our ministry "Withered Hand Ministries, Inc." You see, in 2004, the Lord came to me in a vision and clearly asked me to found an end time restoration ministry on the scripture found in Matthew 12: 13 concerning the man with the withered hand which to me was referring to a miracle ministry. In another vision, the Lord came to me again but this time walking through a website quoting Psalms 92 asking me to found his ministry. Psalms 92 speaks volumes concerning restoration ministry and it mentions the unicorn.

When we think of the unicorn we think of the beautiful wild horse with a horn on its head coming to the little girl. The passion and kindness of the little girl was able to tame that wild horse.

Beloved, in the days of Jesus there was an animal called a unicorn but it was not a beautiful wild horse like in that story. Beloved, the unicorn in the days of Jesus was a wild untamed bull. This untamed bull can be likened to the untamed church. Beloved, just like that little girl, the passion and kindness of Christ including his great sacrifice is able to tame the wild church.

Beloved, in order to get a better view of this we need to split the word unicorn into two words which would be **unity and corn**. Now beloved lets add some more words like the unity of the corn. Beloved, we know the first church ate a portion of their tithe in church to fellowship and celebrate the Lord's goodness in blessing their crops and their family. To better understand where I am going we need to look at Psalms 133 speaking of brethren dwelling together in unity and how it is one of the foundational stones needed for true revival.

God emphasizes through the writer of this psalms that for brethren to dwell together in unity which could be translated as harmony as if completing a note in an orchestra is a beautiful thing to behold. Beloved this is a reflection of the heart and purpose of God in his people that can be best described as a unity of holiness. I remember vividly about receiving a call about ten years ago concerning the **Father of Pastor Joseph Dunn the now Presiding Pastor of the Rooty Branch Baptist Church in Bristol, Tennessee.** Pastor Joseph is a young minister that announced his call to preach at the age of thirteen. His Father was diagnosed and being treated for lung cancer and had just been told that they may have to remove one of his lungs. I remember doing a video attempting to bring some encouragement to the family but got all excited while doing the video and made the statement “they will take his lung out over my dead body.” Now dear reader looking back, I do not think I was actually making this statement as a dare but as a statement of faith that I was going to seek God and do everything in my power to get the breakthrough this family needed and God honored my faithfulness.

The Lord allowed me to make the trip to the hospital in Abingdon, Virginia and pray for Pastor Joseph's dad. While in the room, my spirit picked up on Pastor Joseph's brother Jr. Dunn and the call of God upon his life. God encouraged me to call him forward and minister to him. Beloved, I remember being led by the Spirit to the scripture in Psalms 133 concerning the anointing oil and using it in my prayer which was only to be used on the head of the high Priest and no one else. Beloved, as I prayed over him quoting this scripture in Psalms 133 purposely using the part about the oil representing the oil of holiness running down the High Priest Arron's beard to the skirt of his garment, suddenly **there was a splash of oil fell on his forehead** in front of everyone in the room. Later, I was informed that after I had left the room, someone stood on a chair and looked to see where the oil had come from and to their amazement, the ceiling was dusty and dry and yes they did surgery to remove his lung but saw something and decided against it and beloved let me tell you (Glory to God) that the cancer went away and for more than ten years, his dad has been cancer free. Saints, our God is an all wise, all powerful God and has his unique way of blessing and encouraging his people.

Dear reader, this book is about the humanity of Christ and in the closing chapter of this study, the Lord is impressing me to speak concerning the urgent need for unity to be in his body. The scriptures teach that we that have professed Christ as our Lord and Savior and have become Sons and Daughters of his royal family, and are the body of Christ here on Earth. They also teach when one member of the body suffers, the whole body suffers. Beloved, we are coming upon the close of the church age as we know it and it is time for the scripture in Joel 2: 17 to ring in our hearts and ears concerning the Priests, the ministers of God chosen by and for him to close out this dispensation with weeping between the porch and the altar until the cleansing fire of God falls upon us ushering in one of the greatest outpourings of his Spirit known to man. Saints, this is the time to break up the hardness of our heart by earnestly praying asking God to cleanse and forgive us for our sin, crying bend me Lord to do thy will Oh God **bend me till there is none of me left.** Dear Lord please send your Spirit and help me Lord to pray between the porch and the altar from the depths of my soul till my prayer runs out of words and becomes a cry in true repentance for myself and for my Nation. Amen

Saints, the time is now upon us to cease acting like a bunch of loose body parts and recognize that we make up the body of Christ here on Earth. One of the scruples I have used in writing my books is the realization in my heart that what I am putting out to the public can be used to affect someone's life for all eternity and I take this thought very serious in my writings. I pray over the words to use and believe God that he will guide me in choosing my words carefully. If I write from my head, I will reach your head but if I through consecrated prayer write from the burden God has placed in my heart then I know God will use my writings to reach your heart. I have been told from several prominent pastors that they can sense and feel God's Spirit when they turn and read the pages of my inspirational books. Beloved, so many stories and thoughts come to mind when I think on the subject of unity in the body of Christ. One of them is a great move of God's Spirit in 1995 to visit a church revival the Lord had me to start in Bland, Virginia. God was using my radio program being broadcast on WCRR in Rural Retreat, Virginia to touch and heal people in their autos, homes and nursing homes. The State police loved my programs and would stop me on the road with blue lights and sirens when they recognized my semi with the three crosses on the grill. The station was owned by a well know radio and TV personality Bob Smallwood.

One family called the station and made a statement on the air that one of their loved ones that was born blind received their sight while listening to one of my programs. I received several letters from pastors including a well-established TV program stating that they had to pull over while driving because of the tears running down their cheeks while listening to my program. Many local pastors were encouraged by their congregations to visit this revival and check out the truck driver preacher calling himself the Guardian Angel. Friends the revival was started and God was preaching me with an anointing that you could see and feel. My, it was so wonderful to be in the flow of God's Spirit but one night the local fire department knocked on the door looking for a fire. They could see what looked like a fire in the vicinity of the church. The fact is that the people at the church had experienced a real God that was making himself known and they were all in perfect unity and harmony. Dear ones, all I can visualize is that Earth got in tune with Heaven and just like in 1906 in the Azusa street revival with Brother Seymour, Heaven came to Earth. In closing let us close this work with a wave offering of Praise.

My Conclusion

Beloved, this book is an in-depth study of the atonement which is the work of redemption wrought in Christ to redeem fallen man back into fellowship with a powerful Holy God. Beloved the study of the Atonement is one of the most important doctrines in Christianity, because how we see atonement defines how we see God either with a clinched fist at Mt Sinai shouting the soul that sinneth shall surely die or in Christ Jesus showing us the heart of the Father as one that desires that we might have life and have it more abundantly. Beloved, how we see God will define the relationship and fellowship that we will experience with Him in our Christian walk. Beloved, do we view him as a stern man like a father we have or have known here that is short tempered and unapproachable or do we see him as the model Father Jesus referred to while reciting the Lord's prayer? Saints, God desires that we view and receive him as a Father with open arms of unconditional love for his children? The Lord's most earnest desire is that we understand that we have a high priest that can be touched with the feelings of our infirmities.

Saints, I did research and read through a lot of books searching for answers concerning the Atonement including “Christus Victor” which was highly recommended by a pastor friend but nothing stuck in my spirit. During the past three years and nearing completion of my study, the Lord placed a very special friend in my life and his name is **Bishop Joey Johnson II**. **Bishop Joey Johnson** is the lead pastor of The House of the Lord Church in Akron, Ohio. Early one morning while finishing my 3 week notice with my trucking company of over 12.5 years Crete Carrier Corporation one of the best companies to work for, Bishop Joey Johnson called informing me that while praying, the Lord impressed him to call and let me know that God has found he can trust me. Bishop Joey then said something that caught me by surprise and literally blew me away. Bishop Johnson from Akron, Ohio stated that he heard that I was working on a book dealing with the Atonement and because God can trust me that he is going to send me a book on the subject that was not yet published. After prayerfully reading his unpublished book, I emailed the Bishop thanking him for trusting me with his book and said in the email that if I used any of his material, I would inform him and give him credit.

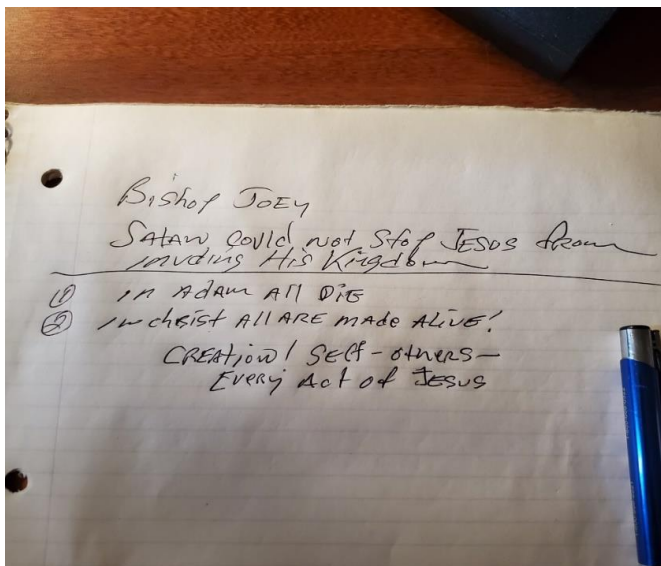

In the email, I also informed Bishop Johnson that if he were to go back and view some of my old YouTube videos, he will find an old video of me speaking titled “The deep revelation of the Atonement” which I did in May of 2018.

This video was done in a missionary friend’s home after getting off the plane in Atlanta from the Philippines. I had been up from Manila with a 5 hour layover in Los Angeles without getting not one minute of sleep on this 21 hour long trip. I informed Bishop Joey in this video, he will discover that I had preached most everything he had in his unpublished book and did it by divine revelation not knowing anything about the doctrines of the church Fathers.

There was however one part of his book which I had read that stuck out to me and we can find it in Romans 8: 19 - 22 which speaks that all creation moans or is in a misery and state of pain as in child birth, waiting for the manifestation or realization of the Sons of God to start delivering them from the curse brought on by the fall of man in the garden.

Beloved, complete redemption for fallen man and all creation was paid for in-full through and by the Atoning work of the Lord Jesus Christ the other Adam.

Dear reader, on the next page you will find a photo that I sent Bishop Joey Johnson of what really resonated in my spirit while reading his unpublished book on the subject of Atonement. Beloved, in thankfulness and appreciation, I personally want to thank Bishop Joey Johnson for his interest and mentorship in my life and ministry. Being the busy servant of God that he is, I know it had to be the leading of the Lord for him to take time to pray and pour out of his wisdom into my life to which I am most thankful and after reading his unpublished book, I took a photo of the notes taken from his writings and I will post them below for you to be blessed as they blessed me. Saints, I am now retired and in preparation to begin full-time ministry here and abroad and my heart's desire is to visit his church The House of the Lord in Akron, Ohio and have him personally anoint and commission me for this new step of faith in my life in entering full-time ministry. My greatest desire is to allow the Lord to finish the miracle ministry he has been training me for. It has not been easy but I am determined to not get to Heaven and see someone else wear my crown.

This is a photo of my notes from Bishop Joey Johnson's unpublished book. One of the things that stood out to me that is not listed here is the theory that Adam & Eve were created as infants instead of Adults. In this theory, we are talking about their spiritual growth and not their size as adults. They were to grow and learn how to mature as humans which is an interesting thought. One of the other interesting notes is that Satan could not stop Jesus from invading his kingdom. The second truth is that in Adam all die but in Christ all are made alive.

Bishop Johnson also made the statement concerning interacting with creation which I have preached before using the scripture that all creation now moans waiting on the manifestation of the Sons of God which can be found in Romans 8 : 22. Saints, it is time to get past the cross and into Son-ship and use the delegated Authority God delegated unto his Son Jesus which can be found in in Luke 22. These scriptures also speak of the Lord Jesus delegating that same Authority to his church. Beloved, Bishop Joey Johnson brought this out in his teachings emphasizing we focus on the work of redemption concerning Christ be studied thoroughly beginning at his virgin birth, his childhood, his miracles, his death and resurrection. Beloved, every act of Jesus was part of the redemptive process and not only are we to get involved with other members of the body but also like him, interact with his creation. May I stop right here and say, thank you Bishop for your insight and wisdom?" Bishop Joey has a brother named Frank Johnson III that the Lord placed in my life and ministry. We share a radio program together on the Call in Church Ministry conference line that is broadcast on the United Gospel Network.

Recently the Lord made a way for us to visit a county jail located in English, Indiana and minister. The chaplain at this facility made away for my inspirational books to be distributed throughout the jail and the prisoners loved them. During this visit while ministering to the prisoners in a special set aside room, around thirty prisoners rededicated their lives to the Lord. After leaving the facility on our way to do some radio and TV in San Antonio, Texas, the staff of the jail called Profit Frank and I in our motel rooms for special prayer. In closing let me say that people down through the ages have attempted to bring God down to their level and convince people that he has lowered his standard on sin but beloved we find through the scriptures of this study that Sin is the cause and Christ is the cure. He is the cure for broken troubled hearts, depression and anxiety which anxiety is simply a fear of the unknown. Let me tell you dear ones that Jesus is the cure for a world searching for answers. Saints, we just need to get our emotions under control because sometimes they can play tricks on us causing us to lose focus and get us thinking wrong. Beloved when we fall in this trap, we fall right into the hands of our enemy.

Beloved, I can tell you from experience that the attacks on our faith will make us into humble servants and cause us to apply the truths of God's word in mightier ways. These attacks will make us become men and women of God that will better appreciate and understand spiritual truths including the real cosmic battle going on around us. Beloved, the enemy wants us to allow the intense pressure on the outside to get on the inside but we are more than conquerors through Christ who loves us and gave himself for us. Beloved, we need to understand and realize that we are his prized purchased possession that was purchased with his life's precious blood. Dear ones, we also need to understand and realize that people are important to God and even the scriptures declare in Isaiah 49:16 that God has our names engraved on the palm of his hands. Beloved, when everything men glories in fail and become dim let me close in telling you that God's everlasting word and his unconditional love will still be standing strong and true. Lord as I close the final chapter of your book, I pray you will use this work and be glorified and recognized that you are the unchanging I Am God that is everything we need and you are a God that is more than enough. A-Men

ABOUT THE AUTHOR

Visionary Evangelist JERRY W. HULSE, is known throughout the world as the Truck Driver Preacher "*The Guardian Angel*." AFFILIATED MINISTRY

THE END TIME ASIAN MINISTRY WITH VISION AND PURPOSE!

Withered Hand Ministries Philippines, Inc. was birthed from a vision God gave our Co-Founder Jerry W. Hulse in the early nineties. In the vision, God informed Jerry that he had plans in the future for International Ministries to rise through his ministry.

Withered Hand Ministries Philippines, Inc is a registered life changing ministry that is making a difference throughout the world. Our leaders are filled with purpose and vision to be an influence in an ever changing world. We have prayed that God will send people like you to this ministry, and we are thankful that He has answered our prayers.

OUR VISION

Our vision is to acknowledge those who according to today's church may have sinned, fallen away, then later repented and come back in fellowship with the Lord.

We believe that they still may have a calling on their life and are capable of being used in the Lord's work. I feel a stirring in my spirit that God is going to use the International Ministry in a mighty way and I get chills just thinking about the opportunity afforded to me that will allow me to use the gifts the Lord placed in me. I never dreamed that God would entrust me to be a leader in a well-known ministry not in a life time but that is why he is the Creator and I am His Child.

I am also thankful that God brought Evangelist Jerry Hulse in my life. Words cannot describe the joy and motivation this true Man of God has brought to me. This has been like a dream to me and I am eager to see where the Lord will take us. I love all of you and covet your prayers as I embark on this journey. I want to personally thank again my home covering Withered Hand Ministries Inc. for believing in me and seeing the call of God upon my life
